We've thoroughly reviewed ALEGREBET Casino and gave it a Below average Safety Index.

This casino has some good qualities, but also a lot of negatives because of which it's better to play elsewhere. In our review, we've considered the casino's player complaints, estimated revenues, license, games genuineness, customer support quality, fairness of terms and conditions, withdrawal and win limits, and other factors. Because ALEGREBET Casino is related to other online casinos listed below, its rating is also influenced by them. So, if you were ever wondering whether this casino is safe and legit or a scam, read the full review below to learn more.

According to our research

and estimates, ALEGREBET Casino is a smaller online casino revenue-wise. It's part of a group of related casinos. However, this group is still quite small even when evaluated as a whole. The revenue of a casino is an important factor, as bigger casinos shouldn't have any issues paying out big wins, while smaller casinos could potentially struggle if you manage to win really big.

We have found no relevant complaints about this casino.

Warning: ALEGREBET Casino has certain sections of Bonus Terms and Conditions that we consider to be unfair to the casino's players. These might cause you issues if you decide to take advantage of the casino's bonuses or promotions. Because of this, we advise you to look for a casino with fair rules or at least pay special attention to this casino's Terms and Conditions if you decide to play at it.

As we already

mentioned, ALEGREBET Casino has a Below average Safety Index. That means that while it's not completely bad, it does have some negative qualities because of which it's advisable to look for a better online casino to play at.
