Introduction

With all the gaming

and sports betting portals on the web, Bet365 3 is my choice as they offered a clean and easy to navigate site. As a relative newcomer to the world 3 of sports betting I was attracted by the variety of virtual sports that they have. Although I enjoy sports of 3 all kinds, I had little experience in betting on sports. That is why I figured that virtual sports might be 3 the best option for me.

Bet365 has just about every other

live-action sport available and a host of casino and slot 3 games on their site, like all the others, but the virtuals on their website are what got my attention. Being 3 a newbie, I was concerned with the usual stuff like safety and internet security, but my mind was set at 3 ease after a quick online chat with their helpful staff.

They had me

set-up with an account and helped me with 3 the verification process so that I could get going in no time at all. I was pleased to find that 3 bet365 is one of the favourite gaming sites in the sports betting community. No surprise in the excellent service and 3 support when they have more than thousands of employees worldwide.

In less than a

coffee break I was up and running 3 with my account, and I was ready to take on the virtual betting world.

Virtual Soccer

As a football fan, I decided to try out my football

knowledge in Virtual Football. I was 3 pleasantly surprised to find not only my favourite Premier League teams playing there but also the European teams as well 3 as the World Cup teams!

When I first thought of virtual sports I did not know that it would be so 3 close to the real thing, the Bet365 video streaming was awesome! The graphics and sound effects had me fully engaged 3 in the game from the first second! Premiership Soccer has

a new game every 3 min, and they play without 3 fail for the whole day. The teams are so close to the real-world teams, and I soon found my winning 3 team.

#### The Superleague mimics

the format of the EU champs, and just like the Premiership the games are crystal clear on 3 the screen, and the betting is so easy in the way Bet365 displays them. At first, I was a little 3 dumbstruck with all the odds and types of bets that I could place, but in a few minutes of playing 3 the games I got the hang of it, and I started making bets with some real money.

#### Virtual Horse Racing

I have 3 always wanted to spend a day at the races, that's horse races, but I have just not gotten around to 3 it ever. Bet365 helped me tick that off the bucket list. Their virtual horse racing is just like being trackside 3 at the local race track. They have 3 tracks that run races all day long and with anything up to 3 15 horses running over various distances I was in racing heaven. Even the odds were easy to get a grip 3 on, every horse in every race has the odds next to their name and with a few clicks you soon 3 have yourself a full bet slip.

#### Virtual Tennis

##### Tennis is

not everyone's cup of tea, but at 3 min per point and 3 every point with new odds and players, virtual tennis becomes an awesome game. The fun for me was that each 3 new game was with a new set of players, so the style of play and visuals were changing all the 3 time. I really enjoyed sharpening my betting skills on the variety of odds that were on offer!

#### Virtual Greyhounds

Racing dogs were 3 never on my radar till I sat down a watched the virtual greyhounds running after the hare a couple of 3 times. Maybe not my favourite virtual sport, but I still enjoyed the betting so I can't complain. Bet365 has 2 3 options when it comes the dog racing, with about 2 min between races, so you got time to choose the 3 fastest hound.

While I was watching the racing, I had an interesting thought, I wondered who was doing the hard work? 3 the Greyhounds or the Hare.

#### Virtual

##### Motor Racing

I really enjoy motor racing and especially oval track racing. I am a big 3 fan of the Indy Car series, and I was extremely excited when I saw that the Virtual Motor Racing is 3 open-wheeled oval track racing. The races have 12 cars each, and the race winner gets you the winning pot. Again, 3 I was pleased to be able to see the odds for the vehicles listed below the video stream so that 3 you can quickly figure out who is the fastest driver.

#### Virtual Speedway

Hardcore track bike racing is always fun and exciting. Speedway 3 is pure adrenaline with 4 guys and modified bikes screaming around a track going sideways for just about the whole 3 race. The Virtual Speedway track is a dirt track, and the bikes have spiked tires, and just because its virtual 3 don't think for one second that there is now spray from the tires or loud rumbling from the bikes! Two 3 laps and lost of dust and spray to boot and the winner is crowned. As is with the Motor Racing, 3 you get odds on the race winner and placed racers, first and second in the Speedway and up to third 3 place in the Motor Racing. Again, I must admit I really enjoyed the 3 min race intervals, my heart was 3 getting some good exercise!

#### Virtual

##### Trotting

Ok, so I did not fully understand what Trotting was until I just placed a bet 3 on a race and watch the virtual chaps calmly race around the track. As the name

suggests, the horses trot 3 around the road with a jockey on a miniscule buggy (chariot?) edging them on. I did not realise that in 3 a full trot that horses can get a move on like that, they were quick! In virtual trotting with Bet365, 3 you can bet on the race winner of course as well as a second and third place with some really 3 great odds. And because they can only trot, you know that race pace is pretty even so its skill and 3 technique that wins the day!

### Virtual Cycling

If you are reading this, then go check out the indoor virtual cycling. I did 3 not know what to expect, but I was confident as the rest of the virtual sports were great, and I 3 had already found some new favourite past times amongst them. Indoor cycling is nothing like road cycling as you would 3 see in the big outdoor events on the telly. These guys only have 1 gear and its all about brute 3 strength and speed. There are between 6 and 9 cyclists in the races, and these guys mean business, they have 3 a running start with a pace "bike" that sets them off and then is all out to the finish and 3 more often than not it's a photo finish.

### I enjoyed betting

of the spread, what Bet365 calls the Forecast and Tricast 3 bets as it gives you more change and a better winning bet. Race winner is always great, but no win 3 means no win. I would recommend that if you don't really know the field or the sport then spread the 3 bets for better results without breaking the bank.

### Live betting on Virtual

### Sports

Virtual Sports are not live but are generated from 3 random algorithms by a gigantic computer somewhere. Ok maybe not so extreme but the facts are that virtual sports albeit 3 very lifelike are not live. That means that you cannot bet live on virtual sports which I think is a 3 great idea. I mean who wants to spend their time figuring out a bet when the race is on?

So, no 3 live betting on virtual sports but you

are welcome to check out the real-world sports and casino games where you 3 can bet live on the events.

### Virtual Sports Mobile Betting

I was pretty comfortable behind my laptop screen and did not really 3 entertain the idea of playing on my smartphone. But when I had to travel on the train to a friend 3 for a birthday bash, I passed the time playing my virtual sports on my mobile phone. It was the fastest 3 5 hours train trip I ever had! I had so much fun I did not even realise the time flying 3 past, and I almost missed the station.

The app and the mobile site is as easy to use as the website, 3 and if I did not know that you were playing on a mobile device, I would not have known the 3 difference. The site and app are one and the same, an aspect that made me very happy.

### Payment

### options

When I was 3 searching for a gaming site, one of the most important things I was checking was the safety of my hard-earned 3 cash! Bet365 has made sure that every t is crossed and i is dotted when it comes to my money. 3 I was able to quickly check the rules and stipulations for depositing funds into my betting account on the website. 3 As I selected the UK and GBP, the page updated with all the way I could make payment. They really 3 made it easy because they have direct transfers and card payment options and they even have e-pay choices too. A 3 lot of eWallet methods are all available, and many more that I have not even heard of and the great 3 thing is that each of them has all the details about minimums and maximums right there next to the name.

Some 3 of the methods

are instant, and a couple are slightly delayed so before you press that button, make

sure that you have all the details down.
