An Introduction to Online

Slots

It's not hyperbole to say online slot games helped revolutionise the casino industry. Even though slot machines have been around in some form since 1887, the appetite for this form of gambling and entertainment has only grown. New play mechanics, themes, and designs kept players coming back for more, as did bumper jackpots that promised increased excitement. Yet it was only when slots games made the jump online did they truly hit their stride.

Compared to their land-based counterparts,

there are no limitations with online slots. The result: there's an incredible choice of slot titles available – particularly here at 32Red Casino. This includes innovative 5-reel favourites such as Immortal Romance, millionaire-making jackpot slots like Major Millions and Mega Moolah, and games with memorable motion-picture themes like Game of Thrones and Terminator II. Plus, if you want to take a step back in time, we also have traditional 3-reel slot machines for simple yet exhilarating experiences.

Big Brand and Exclusive Online Slots UK

I'm a

Celebrity isn't on its own as a hit ITV show that has been transformed into an exclusive slot game at 32Red.

Our Tipping Point slot is a great choice for game show fans. This game takes the elements that make the smash hit show so compelling, including the tension of waiting to see where the coins land. However, the slot features multipliers, Free Spins, and much more to further spice up the action.

We also

have our take on The Cube. The unique style of the game show is accurately captured with our online slot. Alongside the right look and feel, the slot features the energy and compelling elements that make The Cube show stand out from the crowd. Add in multipliers and Free Spins, and the cutting-edge gameplay matches the show's futuristic theme.

Those three

titles are only scratching the surface if you want to play online slots with a TV show or movie theme. In fact, we have an assortment of blockbusters in slot form. This is evidenced by the excellent Terminator 2 Remastered slot. Based on the timeless hit film starring everyone's favourite muscle-bound Austrian, this remaster has taken one of the most popular slot games, given it a fresh makeover, and improved it to wow a new generation once again of casino players.

Do murderous robots from the future fail to

tickle your fancy? In that case, have a look at our Game of Thrones titles. That's right – we have more than one adaptation of arguably the biggest television show of the 21st century. These slots capture all the unpredictability and mayhem of the original TV series, delivering thrills that make up for the show's disappointing finale!

We're

not just a home for the largest pop culture licences. Browse through our library of slot machines, and you'll find unusual source material for some games. From Sherlock Holmes to Moby Dick, our games have allowed these literary legends to find a new lease of life.

Simply put, we have almost every conceivable interest covered in some form by our range of slots. Irish folklore is well-represented by the leprechaun, and you'll see him enticing players with pots of gold at the end of the rainbow. For history buffs, we have games that range from Roman romps to Egyptian explorations. The nation's favourite sport, football, is also given the spotlight across a range of online slot machines!

Megaways Online Slots

Slots come in many shapes and sizes with different playstyles and mechanics. However, one of the most popular options is undoubtedly Megaways games. Due to the unique reel and row layout used that has the potential to change with each spin, there are an astounding 117,649 ways to win!

You will find Wild

symbols populating the reels with many of our games. These symbols can have different functions, but they generally substitute for any standard symbol in a game. Since the aim of the base game is often to make combinations of at least three symbols in a row, Wilds are a great way to bridge the gap and land a winning payout.

Scatter symbols are

also given a warm welcome by players. In new online slots, a combination of Scatter symbols – typically three or more hitting anywhere on the reels – can activate various incentives, including access to the bonus game mode or a collection of Free Spins.

Speaking of Free Spins, it's not difficult to define this feature. You are given a set number of Free Spins where, once they're all used up, you receive whatever winning pot has been accumulated. Certain Free Spins rounds will incorporate multipliers and other money-boosting elements to further ramp up the excitement.

Note:

not every mechanic or feature is available on all of our games. With a vast array of slot machines, certain options keep it simple, while other games are packed to the brim with bonus features and innovative features.

2012 video game

Call of Duty: Black Ops II is a 2012 first-person shooter video game developed by Treyarch and published by Activision. It was released for Microsoft Windows, PlayStation 3, and Xbox 360 on November 12, 2012, and for the Wii U on November 18 in North America and November 30 in PAL regions.[1][2][3][4][5] Black Ops II is the ninth game in the Call of Duty franchise of video games, a sequel to the 2010 game Call of Duty: Black Ops and the first Call of Duty game for the Wii U. A corresponding game for the PlayStation Vita, Call of Duty: Black Ops: Declassified, was

developed by nStigate Games and also released on November 13.

The game's campaign follows up the story of Black Ops and is set in the late 1980s and 2025. In the 1980s, the player switches control between Alex Mason and Frank Woods, two of the protagonists from Black Ops, while in 2025, the player assumes control of Mason's son, David (codenamed "Section"). Both time periods involve the characters pursuing Raul Menendez, a Nicaraguan arms dealer and later terrorist, who is responsible for kidnapping David in the 80s and later sparking a Second Cold War in 2025. The campaign features non-linear gameplay and has multiple endings.[6] Locations featured in the game include Angola, Myanmar, Afghanistan, Nicaragua, Pakistan, the Cayman Islands, Panama, Yemen, the United States, and Haiti. Development for the game began soon after the release of Black Ops, with Activision promising that the follow-up would bring "meaningful innovation" to the Call of Duty franchise. Black Ops II is the first game in the series to feature futuristic warfare technology and the first to present branching storylines driven by player choice as well as selecting weapons before starting story mode missions. It also offers a 3D display option. The game was officially revealed on May 1, 2012, following a set of leaked information released during the previous months.

Black Ops II received mostly positive reviews from critics, with praise for its gameplay, story, multiplayer, Zombies mode, and villain, but its Strike Force missions had a mixed reception. The game was a commercial success; within 24 hours of going on sale, the game grossed over R\$500 million.[7] It had remained the largest entertainment launch of all time until September 2013, when Take-Two Interactive announced that Grand Theft Auto V had grossed R\$800 million in its first day of release.[8] It went on to sell 7.5 million copies in the U.S. in November 2012, making it the highest-grossing game of the month.[9] A sequel, Call of Duty: Black Ops III, was released in 2024.[10] Call of Duty: Black Ops Cold War, set between Black Ops and Black Ops II, was released on November 13, 2024.[11][12]
