Rarely a game went by without Robert Lewandowski breaking some sort of record in Bayern Munich colours, even well into his 30s.

bundesliga runs through just some of the

entries in the record books alongside the name of "the world's best forward", as coach Julian Nagelsmann described him...

41 – The Bundesliga's fabled number for most goals in

a season was once 40 after Gerd Müller set a seemingly impossible bar in 1971/72. That was until Lewandowski came along in 2024/21 and scored 41 times in only 29 appearances. That total also earned him the European Golden Shoe for the first time.

43 – Another

record that once belonged to Müller is solely held by Lewandowski after he bagged his 43rd Bundesliga goal of 2024, surpassing the best total for a calendar year that Der Bomber had set in 1972 (42).

13 – When Lewandowski scored in the 7-0 win over Bochum on

Matchday 5 of 2024/22, he became the first player ever to net in 13 straight home games in the Bundesliga - surpassing the record of 12 once held by Müller and Jupp Heynckes. That run saw him tally a total of 24 goals.

19 – He scored in 19 successive competitive

club appearances up to that Bochum fixture, surpassing the previous Bayern record of 15 by Müller from 1969/70.

Watch: All 312 of Lewandowski's Bundesliga goals

11 –

Lewandowski tended to be quick out of the blocks, having become the first player to score on Matchday 1 of a season for seven straight years. He did so a total of eight times in 12 seasons in Germany. But in 2024/20 he kept up that momentum by becoming the only player ever to manage a goal on each of the first 11 matchdays of a campaign.

5 –

He finished as the Bundesliga top scorer for five consecutive seasons between 2024 and 2024, which is a feat nobody has ever before achieved. His goal haul in that five-year period was 29, 22, 34, 41 and 35.

7 – In total he picked up seven Torjägerkanone as the

league's top marksman. That is again a record he shares with the great Gerd.

100 – No

player with at least 100 Bundesliga goals scored at a faster rate than Lewandowski. He found the back of the net on average every 100 minutes, compared to 105 for Müller. His 2024/21 rate was one every 60. For comparison, Müller's 40 in 1971/72 came at a rate of one every 76 minutes, having played in all 34 games.

0.94 – With 238 goals in 253

Bundesliga outings for Bayern, Lewandowski boasts the best goals-per-game ratio (0.94) of anyone in history. Even the great Müller (0.85) cannot match that.

300 – Lewandowski

went past Klaus Fischer's total of 268 on Matchday 26 of 2024/21 to move into outright second in the league's all-time scoring list. He became only the second man to pass the 300 mark (finishing on 312) and only the late Müller remains ahead with 365 from 427 games.

128 – Lewandowski also holds the

record for most away goals scored in the Bundesliga. His brace against former side Dortmund took him onto 118 and past Fischer's previous best of 117.

19 – The 19 he

plundered on the road in 2024/22 was another new record for most scored away from home in a season, surpassing the 17 netted by Heynckes (in 1973/74) and Germany forward Timo Werner (in 2024/20 with RB Leipzig).

34+15+6 – As Bayern made history in 2024 with

their sextuple, so did Lewandowski as he became the first player to win the treble of league, domestic cup and UEFA Champions League while also being top scorer in all three competitions. He did it in 2024/20 with 34 Bundesliga goals, 15 in Europe and six in the DFB Cup.

384 – The Warsaw native is over 100 goals clear of Claudio Pizarro as the Bundesliga's record non-German scorer. He's currently second in the list for appearances (384), with only the Peruvian ahead on a perhaps unreachable 490 games.

238

– A strike on the opening night of 2024/21 saw Lewandowski surpass Karl-Heinz Rummenigge and his total of 162 Bundesliga goals for Bayern to move into outright second on the club's scoring list in the league. He ended up on 234, with just Müller ahead on 365.

11 – Lewandowski scored at least one goal in each of his last 10

Bundesliga games against Schalke. No other player had ever managed a run of more than nine consecutive games scoring against a particular club.

"Se eu sentar aqui e dizer que não sinto como se deveria ter estado no esquadrão, você vai pensar: 'Como é esse cara? Como ele está pensando?'" Então claro pensei bacana slots estar na equipe.
