A Text RPG MMO Game

It's time to enter the magical world of Achaea and get started in

our free online RPG! Our flagship MUD game (which can be played entirely as a browser RPG) offers countless avenues for adventure and excitement, opportunities to create thrilling stories and explore the fantastic and incredibly large game world! If you are looking for an immersive MUD, Achaea is right here for you, a labour of love since 1997! Discover a living, breathing game world while creating, shaping, and discovering more about your character in a text RPG without peer.

Fantastic World of Achaea:

Flagship Game

Are you ready to start your adventures? Will you be a pirate or a trade magnate, a soldier or a scholar? Everything that you do in Achaea is a product of your own choices and decisions; your character's journey is entirely your own, shaped and influenced by the fast friends and hated enemies you make along the way. Participate in one of our player run cities and perhaps you'll rise to the top as a demagogue leading armies to victory!

One of the most prestigious achievements in our MUD game is becoming a Greater Dragon. Dragonhood comes at level 99, allowing you to choose one of six dragon colours, transform into a draconic form and utilise an entirely distinct skill -

Dragoncraft!

Abilities in Dragoncraft

The Dragoncraft skill is different from typical

RPG MMO games in that it functions as an entire class and race by itself, capable of incredibly powerful hunting with strong PvP combat potential - particularly in groups.

The abilities gained through this skill are as follows:

Dragonform: Transform into your draconic form.

Heal: Purge yourself of afflictions.

Flex: Destroy pesky bindings.

Armour: Call upon the blessing of Ashaxei.

Dragonsense: Seek out your

prey.

Enmeshment: Entangle your foe with ethereal bindings.

Tracking: Travel quickly across great distances.

Hoist: Snatch up your next meal from the ground.

Leaping: Bound

over any obstructions in your path.

Blocking: Use your bulk to obstruct exits.

Summon:

Summon your breath weapon.

Blast: Unleash your breath against your prey.

Rain: Rain

your draconic fury down upon the ground.

Gust: Knock your prey to the ground with a mighty exhalation.

Storm: Fill the air with your deadly breath.

Stream: Blast your foes

from great distances.

Strip: Destroy your prey's defences with your breath.

Roaring:

Let loose an almighty roar.

Gut: Disembowel your foe with your talons.

Rend: Rip into

your prey's limbs with a mighty swipe.

Bite: Clamp your meal between your

jaws.

Clawparry: Fend off pesky attacks with your talons.

Devour: Destroy them in a

single bite.

Decapitate: Hack the head from an adventurer's corpse with claws.

Consume:

Eat the corpses of your prey.

Trample: Crush the fallen under your massive

bulk.

Tailsweep: Knock your enemies to the ground with your swinging tail.

Becalm: Take

down those annoying flyers with a beat of your wings.

Demolition: Bring down walls with

a massive blow.

Incantation: Crush your enemies with a wave of draconic might.

Illusion: Confuse the lesserforms with your intellect.

Veilglance: Fold the Veil

and look into far-away places.

Veildeliver: Pass items instantly over great

distances.

Piercetheveil: Pass through the Veil Extant.

Curse: Lay down a terrible

curse to cripple your foe.

Tailsmash: A casual flick of your mighty tail.

Glide: You

are the master of the skies.

Totalling 35 distinct abilities, Dragoncraft truly

encompasses what it means to be a mighty Greater Dragon. Fill the air with your deadly breath storm, rain fire down on unsuspecting fools while you take to the skies in flight, shake off that which restrains you with your exceptional strength, and even pierce the Veil of Reality and travel great distances within moments. The Dragon class is one of Achaea's most popular, and many find that once they obtain these special abilities, they never want to give them up!
