Associação Chapecoense de Futebol, commonly known as Chapecoense, is a Brazilian football club, based in the city of Chapeco in the state of Santa Catarina.

[brazino777 jogo do bicho](#)

Early history\n\n Associação Chapecoense de Futebol were only founded in 1973, following the merger of Atlético Chapecoense and Independente. Based in the city of Chapeco, in the southern state of Santa Catarina, the club won its first title just four years later, in 1977, beating local rivals Avaí.

British online gambling operator

Sportingbet is a British online gambling operator, owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC Holdings.

History [edit]

The company was founded by Mark Blandford in 1997.[2] Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online gambling.[4] Louisiana is one of the few states that has a specific law prohibiting gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors for R\$1, and an assumption of R\$13.2 million in debts.[7] In February 2007, Sportingbet announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet announced its board had agreed to preliminary terms for a £530 million takeover bid from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9]

Under the terms, Sportingbet's Australian and Spanish operations were bought by William Hill.[10] Operations [edit]

Sportingbet operates local-focused sportsbooks, virtual games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

PAOK FC[13] (2024–2024)

CFR Cluj (2024–present)

Série B[14] (2024)

Copa Libertadores[15] (Brazil only) (2024–present)

Ex-funcionario de proveedor principal de Boeing acusa graves defectos en piezas de aviones

Un expleado anterior de Spirit AeroSystems, el mayor proveedor de Boeing, ha alegado que partes cruciales de los aviones salían regularmente de la fábrica con graves defectos.

Santiago Paredes, quien trabajó para Spirit AeroSystems en Kansas entre 2010 y 2024, dijo que era habitual encontrar "en cualquier lugar de 50 a 100, 200" defectos en fuselajes - el cuerpo principal del avión - que se enviaban a Boeing, y se sintió amenazado por sugerir

preocupaciones.

"Encontraba muchos tornillos faltantes, muchas partes dobladas, a veces incluso partes faltantes", dijo Paredes, quien lideró un equipo de inspectores basado al final de la línea de producción del 737 Max, en una entrevista con la y la cadena de EE. UU. CBS.

"Solo querían enviar el producto. No estaban enfocados en las consecuencias de enviar fuselajes defectuosos. Solo estaban enfocados en cumplir con las cuotas, cumplir con el programa, cumplir con el presupuesto ... Si los números se veían bien, el estado de los fuselajes no importaba demasiado", afirmó.

Paredes dijo que regularily se sentía presionado para ser menos riguroso durante las inspecciones y fue apodado "showstopper" por ralentizar el proceso de producción intentando abordar sus preocupaciones.

Presión por cumplir las metas

"Siempre hacían un alboroto sobre por qué lo encontraba, por qué lo miraba", dijo. Finalmente, un gerente lo ordenó que cambiara la forma en que se informaban los defectos para reducir el número de preocupaciones que se informaban.

Cuando protestó contra el cambio, dijo, fue degradado y trasladado a otra parte de las operaciones de fábrica de Spirit. "Sentí que estaba siendo amenazado y sentí que estaba siendo castigado por plantear preocupaciones", dijo.

Es la primera vez que Paredes, un ex técnico de la fuerza aérea, ha hablado públicamente sobre sus preocupaciones.

En enero, Spirit y Boeing se vieron sometidos a una presión intensa después de que una explosión en pleno vuelo de una puerta de panel en un Boeing 737 Max 9 dejara un agujero en el lado del avión. Los investigadores dijeron que la puerta originalmente había sido instalada por Spirit y más tarde removida por personal de Boeing para tratar de componentes defectuosos.

En 2024 y 2024, dos aviones 737 Max estuvieron involucrados en accidentes fatales, los que causaron la muerte de un total de 346 personas.

Un portavoz de Spirit AeroSystems le dijo a la que la compañía "discrepa firmemente" con las alegaciones de Paredes, agregando: "Estamos defendiéndonos vigorosamente contra sus reclamos".

Boeing se negó a comentar.

Después de que supuestamente se cambió su rol, Paredes presentó una queja ética con
