Tybis 11 years ago #2 When it becomes available to you, it will mark the locations on your map. I believe it is a black square with a poker card iirc. However, your map key will show you for sure.

Also, it is not immediately available in the beginning of the game but becomes so after a few missions. PSN ID: Tybis

TheAxeMurderer1 11 years ago #3 Anyone know the name of the side mission where you have to play poker. I read about this somewhere else, the buy in is apparentlyR\$500. I want to get that last stupid trophy.

have a place on the first island that opened when I liberated a base. I think it was in the southern west area, could be wrong though

This mission is called "Father's Burden" and you receive it in Thurston Town, as soon as you've unlocked it. This mission is called "Father's Burden" and you receive it in Thurston Town, as soon as you've unlocked it.

Not sure. is it different than this trophy?

Poker Bully

(Silver) - Win R\$1500 playing poker.

I was hoping that was cumulative winnings.

If the

side mission is a different trophy, I'll quit wasting my time other places. Not sure.

shaboo_de 11 years ago #8 I'd assume that winnings are cumulative, too, but as this side mission has a buy-in of R\$500, you'll win exactly those R\$1500 you need for the achievement in a single game. Side missions are unlocked by liberating outposts, so look for outposts in this area that are still hostile.

Yeah that's exactly it. I just want

to do the mission and assure I win R\$1500. Yeah that's exactly it. I just want to do the mission and assure I win R\$1500.
