Join the fairies on the planet of

Magix!

The Winx Club Games will introduce you to a world unlike anything you have seen before. Everything is so colored, bright, sparkly, adorable, and filled with the mystical power of magic! However, this isn't the only thing that has transformed the Winx Club into a wildly successful animated fantasy and adventure series! In fact, this Italian-American television production has captured the hearts of fans all over the world, regardless of gender or age.

As a result, the show has been ongoing since 2004, generating huge sales of dolls, accessories, and other merchandise. What is more, there have been live-action adaptations, three movies, a comic book series, and even a stage musical. What a success!

Are you ready to step inside this magical realm? To begin with, you should know that this series follows a group of students at Alfea College for Fairies. As you might expect, this is no ordinary boarding school! Placed on the planet of Magix, this ancient place is where fairies learn how to control their powers and

learn new spells. Moreover, they use their new skills to fight evil and be the guardians of their planets. Can you believe that some of them will even become the queens of their realms?

As is the case with any boarding school, the teenagers will bond and form groups. You're in luck, as I will introduce to the coolest gang you'll ever meet! Six of the most exceptional students in the school have united to fight evil. Despite their many differences, they have learned how to stick together and face any adversities. See more of their magical realm with the World of Winx game!

Learn

true friendship with the Winx Club Games!

Are you ready to meet the members of the Winx Club? They are so charming and unique that I'm sure you'll fall for them immediately!

To begin with, let's meet the leader! At first, Bloom was an insecure teenager who knew nothing about her real parents and magical powers. However, as she learns more about magic and her true origins, Bloom develops into a confident and powerful fairy.

In fact, she is the guardian of the Dragon's Flame, one of the most powerful fairies in the Magical Dimension. What is more, she has a heart of gold and many friends: fairies and animals alike. Help her pet bunny reach her in Kiko's Adventure game!

Are you in the mood for a chat? Then look for Stella, the Fairy of the Shining Sun! Even though her royal origins can make her proud and self-centered, she cares deeply about her family and friends. Also, her charming optimism and killer sense of fashion makes her presence truly lovely!

Next, I invite you for a stroll in the gardens. Here you will meet one of the most kind-hearted and sensitive fairies, Flora. Can you believe that she can talk to plants, help them grow, and even bring them back to life? Visit her and lend her a helping hand with Flora's Garden game!

Are you ready

to meet Tecna? Beware, she is one of the most intelligent fairies you will ever meet! Additionally, she is also tech-savvy and the tactician of the team. Isn't that impressive?

What is that amazing sound? I think it's Musa, the Fairy of Music! At first, she might seem snarky or harsh, but you'll soon discover that behind her rough exterior hides an emotionally vulnerable girl.

Beware of the powers of evil!

Everybody

knows that any story would be incredibly boring without antagonists. As a result, I invite you to meet some of the most dangerous enemies of the Winx Club.

Ready or not,

here come the Trix! Because they are direct descendants of the Ancestral Witches, the trio is extremely powerful and deadly. What is more, the three sisters attend the Cloud Tower School for Witches, where they are idolized and feared by classmates and professors alike. Can you guess why?

To begin with, meet Princess Icy! As her name

suggests, she is as cold and cruel as can be. Besides, she is incredibly powerful and hates all Alfea fairies! Can you believe that not even her sisters and pets can escape her torments? You can meet her companion, a silly duckling, in the Hallowinx's Magic Cauldron game.

Stormy is the youngest of the three Trix sisters. It's easy to notice that, compared to her family, she is the most aggressive and sure of herself. What is more, she is young, wild, and loud. You should fear her rage powered lightning bolts

and her ability to control the weather!  
And lastly, but not least, meet Darcy! Even though she shares her sisters' cruelty, she is more controlled and less violent of the three. Moreover, she uses darkness, illusions, and hypnotics to confuse and control her opponents. Isn't that terrifying?  
Many other dangerous foes await you in the Winx Club Games. Are you ready to face them all? Learn the value of friendship from your fairy friends and get ready for battle! You will need to be brave and use the powers of magic wisely to succeed!  
There are currently 59 free online Winx Club games on our website. You can play the games on your computer or laptop, using any browser. Some of the games are also available for your tablets or Android and iOS phones. Here you can see the games 1 - 30.
