Mystic Secrets™ is a slot machine chock full of the Renaissance atmosphere and beauty. Looking for ancient knowledge passed down 3 only to exclusive few, you will encounter the scholar in his library full of priceless artifacts and manuscripts. Play across 3 five reels and try to align as many win symbols as possible along one of the up to ten win 3 lines, and watch the winning pour into your account!

Get three of those magical spell

books on any line or reel 3 at the same time on Mystic Secrets™ to trigger ten free spins and the magic bonus!

The mysterious magician will serve 3 as the joker in Mystic Secrets™

and will act as a substitute for any other symbol on the reels, except 3 for the magical spell book.

Knowledge is power!

Artifacts, symbols, portraits, and manuscripts from the

scholar's collection are what drives up your 3 win multipliers to a varying degree.

Precious goblets, chandeliers, and scrolls offer even higher rewards, followed by the portraits of 3 young lovers, offering considerably higher winnings compared to win symbols of lower tiers.

Especially the wild symbol in Mystic Secrets™ is 3 a very

profitable symbol to play for. The scholar doesn't just substitute for other win

symbols in a possible winning 3 combination along a win line (except for the game's scatter), during special rounds he can also take the place of 3 other symbols along the

reels and freeze them, filling the screen with more and more of his portraits. This

"expanding 3 wild" quality almost guarantees high payouts over longer sessions, and might be one big part of this slot's large popularity.

The 3 scholar's tome is the scatter

symbol Mystic Secrets™. Three tomes will give you not only a high single round payout,

3 they will also activate 10 free spins immediately!

As many free spins as you can

handle!

Many Novomatic slots are known for 3 their free spin modes and their insane

jackpots. Fewer games, however, offer you expanding wilds with such high win

multipliers 3 as Mystic Secrets™ – the scholar's portrait quickly rises from win enabler

to guaranteed winner over only a few rounds 3 of play. During free spins this wild becomes one of the most potent win symbols in any slot game ever, 3 freezing reels and taking over the screen in only a few rounds, turning every free spin trigger into a potential 3 cascade of big payouts. If you are looking for a slot game to fill your up your funds with, then 3 look no further, Mystic Secrets™ got it all in spades!

Of course

it also offers the chance to gamble your winnings. 3 Each round you get to choose whether to wager your current winnings with a simple 50/50 bet: A deck of 3 cards appears and is thoroughly shuffled. Four cards are being revealed, and you get to choose what color the next 3 revealed card may be. If you were right, the game instantly doubles the winnings of the current, but if you 3 were wrong, then you instantly forfeit all your winnings!
