Welcome Bonus and Daily Offers

Bwin Casino has a 100% welcome bonus that applies on the first deposit. It can go up to £200 and is available only once per account. The offer looks pretty standard at first sight but the way it is cleared is a bit different than what most players might be used to. Users must wager twice the bonus and the deposit amount in points to release the sum and the winnings for withdrawals. Points on the online casino are earned at set rates so it is best to stick to slots, scratch games and virtual sports in order to meet the requirement quickly. This can translate to 20x wagering requirements for the bonus and the deposit. For even more bonuses, Bwin offers a daily scratch option for free. Customers will simply have to log in and go to the account section to opt in and scratch the virtual card. A prize is selected randomly and it can consist of five free spins on selected games, a no deposit slots bonus of £25, a deposit bonus of £100, or five free spins on a deposit of at least £20. The rewards come with different wagering requirements so it is a good idea to take a look at the details in advance.
