Admit it, which of you doesn't dream of getting rich? You can work long and hard, become the president of a large company, make a lot of money - and finally lead the Forbes hundred! You can get a huge inheritance from your aunt from Brazil... You can win a big sum in the lottery... But it is much more fun and interesting to get tons of gold coins from the mysterious Master of Gold, a gray-haired old man who lives on the forest edge. If you are intoxicated by the bewitching shine of gold and the mysterious play of light in the facets of diamonds and emeralds, then you have a direct road to the new BELATRA online slot - Master of Gold. A bit strange, but infinitely charming owner of gold gladly invites everyone to an exciting game, in which absolutely everyone can win! This slot is not only incredibly bright and colorful, but also very diverse: it contains a variety of additional games. There are prize games, bonuses with jackpot draws, interesting risk games. All this under the supervision of the charismatic main character - the Master of Gold - completely immerses you in the gameplay and will definitely not let you get bored. Free games

Everything starts in a classic way - 3 or more Master of Gold scatter symbols award free games. During the free spins process, scatters can also appear, which award additional free games. The main feature of the free spins of this slot is a huge super-symbol on the second, third and fourth reels. It replaces 9 common small symbols, which undoubtedly increases the chances of getting a good win!

Bonus with 4-level jackpot

Credit symbols may appear on the playing field. If there are 6 or more of them on the screen, the bonus game will start. The bonus itself is a series of three respins with an additional opportunity to win a jackpot. After the reels stop, symbols may appear on the playing field. These can be credits, symbols of one of the three jackpots (Grand, Midi and Mini) or an empty symbol (alas, it happens). If at least one new symbol appears during the streak, the player is awarded one more streak of three respins. The main bonus prize is the jackpot. Corresponding to the drawn symbol or (if the reels are filled with credit symbols only) - Mega jackpot!

#BuyBonus

New game option in Belatra Games! The company presents a whole series of games with this feature, and one of them is Master of Gold. This option makes real what every player dreams of - so that bonus or bonus games will fall out as soon as possible. Nothing is impossible with #BuyBonus from Belatra Games! Now the player can buy free reel spins or a bonus game for a certain number of credits (depending on the current bet) at any time!

#### Risk Game

In risk games you can easily and quickly double your win (and you can do it several times!). To do so, it is enough to guess among all the closed cards the one that is higher than the dealer's open card. This is the principle of the risk game called "Card double with a dealer". And if you choose the Double "Red-or-Black-or-Suit", then you can more than just double your win, you can multiply it by 4 at once. The guessed color of the card will double your win, the guessed suit will increase it by 4 times.

Master Of Gold is a master who will make you rich!
