### Ex-president Barack Obama will campaign for Kamala Harris, starting the online patience game Pennsylvania

Ex-president Barack Obama will make a turn by the states in the online patience game 5 battles in order to support vice-president Kamala Harris, starting the online patience game in Pennsylvania next week, according to a high-ranking campaign official for Harris.

Obama will make his first event in Pittsburgh, Pennsylvania, next Thursday, the start of a journey through some of the industrial and solar belts that will likely decide the 2024 election.

Obama will appear in the state swing after Republican candidate Donald Trump returns to Butler, the Pennsylvania town where he survived a assassination attempt in July.

Obama continues to be one of the most powerful Democrats surrogates, perhaps even behind his wife, Michelle Obama. His return to the campaign trail follows a emotional speech at the Democratic National Convention in August, in which he presented Harris as a progressive and a natural heir to the online patience game coalition of diverse and powerful youth.

"We don't need another four years of bravado and 5 disasters and chaos", he said at the convention in August. "We've seen this movie before and we all know that 5 a sequence is generally worse. America is ready for a new chapter."

Harris was one of the first supporters of Obama 5 when he launched a campaign against Hillary Clinton in 2007. She would have beaten Harris in the 2008 Iowa primary before she did.

Harris's campaign has already included several former members of Obama's campaign staff, including strategist David Plouffe, Stephanie Cutter, who was Obama's campaign manager in 2012, and Mitch Stewart, Obama's base strategist for both campaigns. Stewart is Harris's advisor for the 5 battles, of which Pennsylvania is a must-win for either side.

The key to winning Pennsylvania may be the Latino vote. Approximately 90,000 Latino voters 5 are still undecided, according to a professor at Penn State, A K Sandoval-Strausz, writing in Conversation, who 5 argues that a endorsement for Harris by the Puerto Rican singer Bad Bunny will have a greater impact than Taylor Swift. In 2024, Biden won the state by 80,000 votes - or a single point. In 2024, Trump

levou 5 o estado com apenas 44.292 votos.

De acordo com a última média de Pennsylvania polling da Hill/Decision Desk HQ, Harris lidera 5 Trump por apenas 0,9 pontos no estado.
