Lotto Madness Slot

Lotto Madness is not a lottery game, but an online slot themed on playing and winning the lottery. 5 Although, the 20 paylines, Free Spins, a jackpot win of 200,000 coins plus the opportunity to win the Dollar Ball 5 Progressive Jackpot means you could feel like you've won the lottery.

The lottery craze meets the world of online

slots - 5 seems like a gambler's dream. How does this slot fair under close scrutiny? Our review offers in-depth analysis to guide 5 you through Playtech's lottery themed slot.

Tried and Tested Format with 20 Paylines

Software by Playtech offers us a very

familiar format 5 that's easily accessed through flash enabled web browsers. With no download needed it's available to play for free, but, do 5 note that, in order to access the Dollar Ball Progressive Jackpot you must play for real money.

Both paylines and

coin 5 values are adjustable here making betting range wide, but complex. Always refer to your total bet for how much each 5 spin cost you and adjust it using the Bet or Lines buttons until it suits your wallet.

When playing all 20 5 paylines the bet range spans

from 0.20 coins to 200.00 coins. With RTP at 97.06% low-mid level wins feel regular 5 and this lottery themed slot can be an exhilarating ride.

Money, Money, Money

Graphics are

disappointingly weak. For a slot that should 5 be all about the money Playtech clearly had a limited budget to produce this one. They have opted for thrown 5 together cheesy cartoon graphics and the irritating animated reel spin that can make you feel dizzy if you watch it 5 too long.

Despite that, though, the generically blingy, pingy sound

effects are used to great effect here generating energy and complementing 5 the fast pace. This game feels like it's in a hurry to get your cash prizes.

Reels feature

lottery balls 6 5 through 10 as the low-paying symbols and man winning cash, champagne and piles of cash as the high-paying symbols.

Dollar sign 5 Scatter Symbols don't require

a payline to reward you with a cash prizes. Landing anywhere on the reels 3OAK will 5 score you 50x your bet.

Look out for bingo sheet Wild Symbols which substitute all

except Bonus and Scatter Symbols and 5 offers a cash prize of 10,000x your bet for 5OAK.

This would be substantial if you're playing high rollers stakes 5 at the highest betting range.

Free Spins and a Dollar Ball Progressive Bonus

Land a wheel of fortune Bonus

symbol on reels 5 one and five and you'll trigger the Free Spins round.

However, the

really juicy cash prizes are available from the Dollar 5 Ball Progressive Jackpot where you finally get to experience some of the lottery action this online gambling game is all 5 about.

Give Me More

For a brilliant money themed slot you really must try the free

Mr Cashback slot. It's another slot 5 from Playtech's repertoire and, whilst it's another

example of cheesy graphics, this is more than made up for by its 5 unique Bonus features.

If you don't make win lines in this slot you get your cash back!!

Lotto Madness Online

Slot 5 - It's a Gamble

There's nothing particularly special about the Lotto Madness video

slot. In fact there's a sense of overkill 5 to a gambling themed online gambling game.

However, it has a fast pace for those who crave speed in their slots 5 and you

can't argue with a 97.06% RTP. As part of the Dollar Ball Progressive there are some great real 5 cash prizes up for grabs. Whether you win them or not is just the luck of the lottery.
