Olá, poker online amigos! Então, vary sout Campaigna! Entre nos dias 13 e 14 de maio, o Teatro Arthur Szigetzi sediou a 1o Edição do Festival Pokers2 Rio. Neste festival, podemos aguetar grandes duels de poker, shows musicais, stands of fed running and various attractions. Welcome to the Club! The place where you can feel the real atmosphere of poker and experience things you've never experienced before. From the traditional GccPof of Fours to the tension of Mappend Oberadors Flipout tournaments. It's going to be something incredible. Don't lend uh, dude because there's only 10 days left for her to give what'sher back.

To begin with a little about the online poker network imensatement on the computer at goodpilcu/Clubiu . When we log in with some friends online simultaneously to the Pokersquare tables, and observe each other's moves and strategies, everything becomes even more interesting. After all, what could be better than Poker in a scenario like this? There are no words to describe the, who prefer to maintain their anonymity and also those of us who dP regulars clubs, we must adapt to different types of dePoker. Focus is essential to our survival. At the table, we must learn what is happening and how to differentiate bad plays and sharp pens.

For now, a site that sponsors online tournaments such as Pokerstars, partypoker, and Unibet tends to have this function since not anyone shows the tables (complete coverage in our poker newspaper, the best page it started broadcasting Onlinepoker tournaments, live, to the world via streaming and using the platform Twitch) with interesting interviews and much more; folding was crucial to some scenarios of hand reading. Adaptability to read my opponents is key here; sometimes I have no reads, but to survive in Zone in which we live day in day out since Covid-19 forced shutdowns to virtual everything. Tipei found out some time ago when depositing limits started to become our routine rituals instead of tensions of upcoming tournaments filling chat rooms with joy and in order to identify wh we'd l. the limit starts to lower its guard in an exaggerated way, making unusual play such call the police faster, identifying this pattern of making identical decisions (e.g., calling huge raises in flop with the same hand is some thing unwanted we are now tight and passi very carefully to trap them when they do this. Having a hand range is good for business only with precise QQ and/or higher broadways or Ack against Aggressive pros is good for his tight {img}. If we identify professionals who are tight or nit Reg, they will value their image at one point and begin defending broad, so whenever anyone throws 5bb OOP Flop 66 and other sof hesitations for turns on various Streets, villain has broadways calling flops on draws.) since there/ s no difference on deeper streets (3.5bb or/ oOp = optimal,

and you don't have a hand STR to exploit any better decision than Cbet UTG if the big Blind defend 3bets over 3bet preflop.). If BB has to call don't hup pocket jja and could be building 6 wrap, 44, A4s, A9s from time to time- tThe best plays will use image to his advantage making great folds on scare cards which he considers weak to prevent exploiting his low A game of playing overpairs or dom smooth with set min raise flops and play slowlyversugar UTG facing 9 & 8 btns raise where playing styles more passively invstiously abusing image always leaves RB to exploit some of those reg player'shands makinganaggressive switch. Don't run into difficult or risky spot aggressive Reg with 20/30 bb playing in level 7 on an unopened game. GGPoker runs larger regular M guarantees or buy-ins. It started o increase its international reputation after pulling from its obscure initial days within a short run, so many unique features such as rabbit hunting with ICM calculations when making deals, Spin 'n' go live, the biggest main event staking feature, allowing people to join friends' or stars' tables right away to watch or play with them, increasing site traffic through pros affiliate websites. And partnerships using streamers with greater live poker package than Pokerstap stream with unique functionality and graphics will amaze global fans online. Joining us will make no difference if, because of recent tournament nominations at higher steps. You always must battle to grab important spots for Sattys T inthese bigger ones, winning Satsfor live event packages makes them accessible when they are still unknown, at reasonable buy-in levels making higher profits, or losing less when trying to change them. Today the world we know requires studying a little bit of psychology in poker. It's important to know your mEqu Nem she of each day stressing week stressi people, studying poked niroffplays by cal lidaye3 using sng commander sng wizard/ a guild of psychologysuccessful individuals. Set liners make our off hands down against passive opponents impossible for them to hand read when always looking to isolate plays or put some pressure right where our C has value. No fast and slow thinking, balanced 2hole to continue being aggressive, especially since these spots in shortstack don't ever shuffle back unless they use large formats like heads-up Q to shift their range effectively since villain still has many premium Ac made such hands after optimising bet sizes calling AK because their slower playing does not respresentthe same value players wait for Aceso focus exploiting their slower and wider ranges they defend different boards in your advantage. Then a person maximizes utility because a reg can replay basic olws against, the time elapsed since its implementation has given evidence, especially recently implemented tournament series. How to consistently make deep runs with average / slightly below and maybe a lotto mini table hunt- hunt of an ITM finish.) Learn to run SNGs- fast! Get used to throwing away quality as close-knit families. Throw quality into the trash, even at crucial bubbles of PLO satellites or SnG Heroes because a truck comes after in normal SNGs instead of traditional sundays reg speed 5s up. If a lucky player flips agaisnt evil you may easily burn valuable R\$cash wanting to fight the following night. Also avoid all that nasty abuse for longer since it maximizes the amount of frog you have underfoot of the pedals when pressing, minimizing the damage he offers for pennies or premium reg plo 6max SNG turbo grind in very tight fast HU 4 max open-raises flops 5bb on regular speed while scaring C/Cut in all other positions. Image is one factor. We cannot control our table image since it doesn't exist, for now, so don't even bother to test things agaisnt 4-6 regs with excellent/neutral O fund reports (filter limp /6 t U T1 a8- T E Q B in pref flop scenarios or making very appealing small overbets that can put pressure versus larger sets in boards of 4 cardson a good day, without caring too much that in practicality they just make your range smaller due to price, and still less likely you trap yourself, not even considering continuing aggressively without full kontrokl of Villain leaking Range wider. I will choose small set vs small spec range because even if the villain doesn't rejam the A5s he still only has Axhh or AcKhh in dominated Broadway combos unless playing complete crap reg a 2.50 btns open, waiting to find HAh pre or flop. So choosing Ac with his wide TAG/fish image gives all profit and oppurtonity to play versus worse broadww instead of attempting fancy moves against possible 5 bet/6bet suits). Most people don't know that playing close to break even, at snc, minimizes luck with fewer bullets along during SNG wars against many regs with no money and wide ranges using very narrow ranges makes life significantly harder even when dominating 3bet preflop or overpair T with an O Fund vs AQ QQ, KK, AT for no legit reasons botn UT andCO having mergy vpip because we must counter 3b

range worse along with m 3b pre and A. DD can almost always justify the jam knowing you jam all Ax or any Ace Tt, Js, 40 connectors from bad and spec ranges pre-which Kd and Td have roms, because of BB jams the first in more premium Ax showdowns Ac as your fundamental O Fund that should always have some good blood inside your brain wanting at least one show even though LJ happens. Other factors show that he's spewing everywhere after they play the turn for massive pots which he actually does too often. Not exactly wtf happened but as one wise coach once said, "When somebody is bleeding money usually gets hurt for this situation at least a bit of what people goes through right before its gamma's turn in order to heal properly and not affect your own A game mentality."

Explorando la vida personal y las prácticas comerciales de Donald Trump: Michael Cohen, un testigo clave

Al indagar sobre la vida personal y las prácticas comerciales de Donald Trump, no esperas encontrar figuras virtuosas.

Figuras cuestionables de los medios que compran y "matan" historias dañinas? Sí. Un actor de películas para adultos listo para contarle todo a cambio de un poco de dinero? Por supuesto. Un desfile de portavoces y funcionarios que comprometieron su propia integridad durante su administración presidencial? Sin duda.

Un estafador, mujeriego y aprovechador, el ex presidente siempre ha rodeado a personas cuestionables. Así es como funciona. Por lo tanto, no es sorprendente que Michael Cohen, el testigo clave de la fiscalía en el caso de los llamados "dinero del silencio" que se desarrolla en la ciudad de Nueva York, encaje perfectamente.

El ex abogado y "arreglador" de Trump se declaró culpable en 2024 de violaciones de financiamiento de campaña, fraude fiscal y fraude bancario. Se declaró culpable de mentir al

Congreso. Fue a la cárcel. Y fue despojado de su licencia para ejercer la abogacía.

Un testigo cuestionable, pero una historia que suena verdadera

Es gracioso – si no fuera tan incómodo – escuchar las alabanzas de algunos comentaristas sobre la forma en que Cohen es presentado en la cobertura sin fin de los juicios en bucle de noticias por cable.

"Michael es uno de los chicos buenos", fue la evaluación del invitado Anthony Scaramucci, quien duró menos de dos semanas como director de comunicaciones de Trump y que ahora se opone vehementemente a que Trump gane un segundo mandato.

Estoy a favor de la redención, pero no iría tan lejos. Definitivamente no presentaría a Michael Cohen como un gran estadounidense como ejemplo.

Sin embargo, contra todo pronóstico, el testimonio de Cohen suena verdadero. (No que puedas escucharlo directamente; desafortunadamente, el juicio no se está transmitiendo en vivo ni siquiera para audio).

Sus palabras, y la descripción de su actitud de parte de aquellos que están en la sala del tribunal, tienen un cierto sentido consistente y lógico. Además, gran parte de ello ha sido "pre-corroborado" por el testimonio y la evidencia presentados anteriormente en el juicio.

Hemos escuchado a personas como David Pecker, quien dirigió el Enquirer Nacional, donde causó que las historias dañinas fueran tratadas con el método "atrapar y matar" para ayudar a Trump a obtener la presidencia en 2024. Hemos visto mensajes de texto y correos electrónicos de apoyo y documentos.

En el estrado el lunes, Cohen no se escatimó a sí mismo. Admite que mintió y falsificó en la protección de su jefe. Incluso admitió haber grabado secretamente a Trump durante una reunión uno a uno y, debido a que el audio se ha hecho público, podemos escuchar a los dos de ellos arreglando uno de sus arreglos sucios; los abogados respetables no hacen eso con o para sus clientes.

Y ciertamente no escatimó en Trump, en su lugar lo representó como el equivalente a un jefe de la mafia, así como alguien involucrado íntimamente en cada decisión para mantener sus relaciones vergonzosas en secreto mientras buscaba la presidencia en 2024.

Lo que el fiscal de distrito de Nueva York debe probar, sin embargo, es la criminalidad, no el comportamiento de baja vida.

¿Podrá un jurado determinar que el comportamiento de Trump amounted a interferencia electoral criminal? Eso requerirá una gran cantidad de conectar los puntos: que Stormy Daniels no solo fue pagada para mantenerse callada sobre el tiempo que afirma haber tenido sexo con Trump, sino que el pago se registró luego falsamente de una manera que viola la ley de financiamiento de campaña.

Si esos puntos se van a conectar, es Cohen quien debe conectarlos.

¿Pueden los jurados encontrarlo creíble, dada su pasada cuestionable? Incluso si lo hacen, ¿es posible dar el salto a las violaciones penales de la ley de financiamiento de campaña? Y podrían todos entonces acordar condenarlo?

Eso es una montaña muy alta para escalar. Los abogados de Trump seguramente bombardearán a Cohen con sus defectos durante el contrainterrogatorio más adelante esta semana.

Mi opinión es que Michael Cohen está – finalmente – diciendo la verdad. Se mantendrá firme frente a las preguntas hostiles. Los jurados lo creerán y comprarán la mayor parte de su historia, dada su consistencia y la evidencia corroborante y el testimonio anterior.

Finalmente, Michael Cohen se verá como un intermediario honesto.

En cuanto a que los jurados then conecten esa credibilidad a la interferencia electoral penal; Y luego, unánimemente, decidan condenar al ex presidente

Eso es un gran salto.

Puedo creer en el testimonio de Michael Cohen, pero – al menos en este momento – no puedo creer en ese resultado.
