Get into one magical adventure as you search for the Golden Genie and his magical lamp. This tale is as old as time and everybody knows the drill: you find a lamp, give it a rub, and out pops a genie to grant three wishes -or more if luck is on your side.

Golden Genie and the Walking Wilds slot is set on a five reel three row grid with 20 fixed paylines.

The low paying symbols are represented by the card icons 10, J, Q, K, and A, while the high paying symbols are the leopards, striking serpents, lamps, Aladdins, and Princesses. To make a winning combination, you need to land 3-5 matching symbols starting at the leftmost reel.

The Golden Genie acts as both the scatter and wild for this game. As a wild, the genie substitutes for any regular pay symbol to form a winning combination.

The first of the special features is the Genie Lamps Stacked Wilds which comes randomly and when activated, reels 2 and 4 turn into fully stacked wilds while the other reels continue to spin. During this feature, the game pays both ways.

Next is the Genie Wishes feature that is triggered when the Aladdin symbol lands on the left side of a magic lamp symbol. The two are then turned into wilds and can carry 2x, 3x, 4x, 5x, or 10x multipliers.

Lastly is the Genie Parade free spins feature which is triggered by landing at least three scatter symbols anywhere on the reels, which then triggers a random number of free spins.

One genie will turn into gold and you'll see genie wilds walk to the left and give a 1x multiplier each time they move. And when the leading genie falls off, the multiplier transfers to the next. This will carry on until there are no more genie wilds in view. Golden Genie is available on Genting Casino and is playable on any mobile device with an RTP of 96.03% and a high volatility, get ready to summon the Genie but set your boundaries and game responsibly!
