Here we have another classically themed slot machine that is appearing in quite a number of online casino sites, but unlike most other similar slots it hasn't been put together and designed as a three reel slot instead it is designed as a video slot!

Hot Spin Slot

Game Review

As for what it so going to be offering you, well let me quickly run through some of the most standout and appealing aspects of the Hot Spin slot from iSoftBet so that you can decide for yourself whether it is a slot you will fancy getting stuck into playing online.

What this slot game has spread over its five video reels are a set of 20 pay-lines, and it is a slot offering a medium variance and a decent long term expected payout percentage too, as for what you are going to trigger when you do manage to be awarded with its bonus feature game is a wheel spinning bonus game on which you could in some sizeable amounts of cash!

Hot Spin Slot RTP

The Hot Spin Slot has a payout percentage of 96.00%.

Therefore, there is no way to predict when a slot machine is going to hit, and any strategy or
system claiming to do so is likely to be based on superstition rather than fact.

Again, there is no point playing all lines on a machine where you are not comfortable with the total
bet per spin. On the multiple line machines, always bet the maximum number of lines linked with
the amount you are comfortable with. On reel machines I ALWAYS bet the max, as that play is
needed for most jackpots.
