Sport in BrazilPeteca Shuttlecock

Peteca (Portuguese pronunciation: [petk]) is a traditional sport in Brazil, played with a "hand shuttlecock" from indigenous origins and reputed to be as old as the country itself.

The same name is given to the shuttlecock-object itself.

Objectives [ edit ]

The objective of the game is to hit the shuttlecock-like object (the peteca) with your hand over a high net, similar to a volleyball net, causing the object to land in bounds on the opposite court.

The peteca can only be hit once while on each side of the net.

Doubles and singles, male and/or female matches are played, both for competitive or leisure purposes.

History [ edit ]

The word peteca is derived from a Tupian word meaning hit.

Over time, the word found its way into the Portuguese language.

Originally, peteca was played at times of celebration with dances and songs.

Gradually, this play became more of a sporting activity.

The game has been passed down through several generations by the Brazilian ancestors and has developed considerably along the way.

Early petecas were very primitive home-made affairs consisting of stones wrapped in leaves tied inside an ear of corn.

A more sophisticated version was described in a Brazilian-English dictionary as "a leather pad with feathers stuck into it."

Pictures of the first petecas are few and far between, but on 30 May 1979, Brazil issued a set of four postage stamps depicting children's toys, to commemorate the International Year of the

Child.

When Brazil was present at the 1920 Summer Olympics in Antwerp, Belgium the Brazilian athletes took with them some shuttlecocks for amusement on the ship and during the intervals between games.

The game of peteca fascinated athletes from many other countries who wanted learn the rules of the game.

The problem was that there were no rules - it was just for pleasure.

Peteca left the streets, the grass and the sand to become a field sport in Belo Horizonte in the 1940s.

It was in Belo Horizonte, the capital city of Minas Gerais state, that the toy shape was transformed to its current format, proper for competitive games.

The typical peteca has four white chicken feathers attached to a base and connected to a bottom made with several thin layers of rubber.

It was also in Belo Horizonte that the rules of the game were first written, as well as the first courts were built and the practice gained competitive sense with internal championships that were held in various social clubs of the city.

In 1973 the Peteca Federation of Minas Gerais (FEMP) was founded, confirming the pioneering spirit of a sport born and developed among the Brazilian people.

From Belo Horizonte, the practice has spread to other Brazilian states, and from there to other countries, like France, that adopted the game as it is played in Brazil.

Peteca is now one of Brazil's fastest growing sports closely behind football and volleyball.

[citation needed] Another version of the game, called Indiaca, and closely based on peteca has developed in Germany, first appearing in 1936.

#### Rules of the game [ edit ]

A peteca match is played to the best of the three games, singles or doubles.

The first player (or the first pair) who scores twelve points wins the set.

One game can last only a maximum of twenty minutes.

If neither of the two sides have reached the required score, then the win is given to the team with the most points.

The peteca must be struck with one hand only and must pass above the net to the oppositions side in order for them to return it.

The server remains the same one until the service changes side.

A point can only be won by the serving team.

The player with the service has thirty seconds to score the point.

If this is not achieved then the service is given to the opposing player/team.

#### Faults [ edit ]

There are a number of recognised faults which can occur.

Service fault: service passes to the opposing team if the peteca passes below the net, outside the limits of the court, if the peteca touches the net or if the peteca touches a player of the same team (double) before passing over to the opposing side.

The 'in play' faults: if a player puts his hands or feet on the opposing teams side (similar to what occurs in a volleyball game); if a player touches the peteca with two hands; if there are marked accompaniment and not striking; if any other part of his/her body touches it and if the peteca is not hit (head, feet).

The 30-second rule: the server or the team which is serving has 30 seconds to score the point.

If the point is not scored in this period, then the service goes to the opposition.

At the end of 20 seconds, the referee announces "10" as a warning of the time remaining.

With the sounding of the referee's whistle, the rally is finished.

This is a more strict rule, when there's a referee to open count.

#### Equipment and court [ edit ]

Shuttlecocks : There are two types of shuttlecocks used in two different kinds of games of peteca.

In a regular peteca tournament, the shuttlecock has a flat base and a standard weight of 42 grams.

The feathers are crimped and straight.

In a mini-peteca game, the shuttlecock has a rounded rubber base attached to five or more rubber discs.

The base is softer on the hand.

Although designs vary, the most common petecas (especially the competition type) consist of a base in the shape of a filled leather bag or a layered rubber pad, and a flight, which is usually made out of feathers stuck to the base.

Court : singles' games are played on courts 15 m x 5.5m.

Doubles' games are played at 15 m x 7.5m.

By comparison, a standard volleyball court is 18 m x 9m.

Peteca is played on wood, cement or clay courts.

Mini-peteca is played on a standard sized badminton court.

Footwear : Sneakers with a firm grip to the floor are desirable.

: Sneakers with a firm grip to the floor are desirable.

Lightweight gloves: beginners often find that the rubber base of the peteca is hard on the hands, usually leaving red spots and a stinging sensation on them.

It is suggested that they wear a lightweight fingerless glove, similar to those used in rugby.

Competition [ edit ]

Competitive court games have been played in Brazil since the early 1930s.

It was only in 1973 that the first rules were written.

It was founded in 1985 and is now a worldwide played sport the aim of theme is to hit the shuttlecock like object

Currently,[when?] in Brazil, there's a Confederação Brasileira de Peteca,[1] still incipient, being formed around the preexistent Federação Mineira de Peteca,[2] from the state of Minas Gerais.

A version of peteca, indiaca, was developed by Karlhans Krohn [de] in Germany in 1936 and is very popular.

However, France was one of the first European countries to embrace peteca proper.

The Federation Française de Peteca (FFP)[3] is the national organ for France and was created in February 1997 by Jean-François Impinna, a French former international rugby player, and counts thousands of French peteca players.

The United Kingdom has recently followed suit and taken up the game with the United Kingdom Peteca Association - UKPA[4] leading its development. May 2006 would see the first International Peteca Tournament being hosted by the FFP in Sannois, Paris. Teams from Brazil, France and the United Kingdom were to compete.[citation needed]

Ronaldinho - Wikipedia en-wikimedia A pesar de que la legislación para regular las apuestas deportivas y los juegos de azar en línea ahora es ley en Brasil, aún quedan varias preguntas clave de política por responder. Esto se abordará a través de regulaciones de implementación del Ministerio de Finanzas o por desafíos legales presentados ante los tribunales brasileños.

Algunos puntos clave de política a observar incluyen:

- Requisitos de licencia y cuotas
- Medidas de protección al cliente y responsabilidad social
- Canales de informes y resolución de disputas

### **Ex-intérprete y amigo de larga data de la superestrella del béisbol Shohei Ohtani se espera que se entregue a las autoridades federales el viernes**

Se acusa a Ippei Mizuhara de robar R\$16 millones del famoso compañero para financiar su "apetito voraz por las apuestas deportivas ilegales", dijo un fiscal federal.

#### **Una "estrecha relación" explotada**

Mizuhara se enfrenta a un cargo federal de fraude bancario después de haber realizado transferencias no autorizadas desde la cuenta bancaria de Ohtani de noviembre de 2024 a enero de 2024, dijo el fiscal federal Martin Estrada el jueves.

Mizuhara incluso se hizo pasar por el superastro para intentar que los empleados bancarios aprobaran enormes transferencias de cable, dijo el fiscal.

Ohtani ha proporcionado a su abogado para que comente sobre el tema.

Mizuhara acordó entregarse a las autoridades federales el viernes, dijo Thom Mrozek, portavoz de la Oficina del Fiscal de los Estados Unidos para el Distrito Central de California. Mizuhara se espera que comparezca en un tribunal federal de distrito de Los Ángeles el viernes por la tarde.

"Esperamos que el tribunal ordene la liberación de Mizuhara bajo fianza", dijo Mrozek en un comunicado escrito. "No se le pedirá a Mizuhara que ingrese una declaración de culpabilidad al cargo de fraude bancario durante la audiencia del viernes".

Si es declarado culpable, Mizuhara podría enfrentar hasta 30 años de prisión.

Mizuhara aprovechó su relación cercana con Ohtani - a quien acompañó constantemente debido

a las limitadas habilidades en inglés del jugador estrella - "principalmente para financiar su voraz apetito por las apuestas deportivas ilegales", dijo Estrada.

## Crónica de un fraude

Tiempo	Acción
2024	Mizuhara ayuda a Ohtani a crear una cuenta bancaria
2024	Mizuhara empieza a colocar apuestas deportivas
2024-2024	Mizuhara realiza transferencias no autorizadas desde la cuenta de Ohtani
Enero de 2024	Mizuhara acordó entregarse a las autoridades federales

Mizuhara refuseció dar acceso a otros asesores profesionales de Ohtani, incluyendo su agente, contador y asesor financiero, dijo el fiscal.

Grabaciones de llamadas telefónicas obtenidas por investigadores muestran que Mizuhara habría mentido a empleados bancarios y se habría hecho pasar por Ohtani para intentar conseguir que el banco aprobara grandes transferencias de cable, dijo Estrada.

"No habría razón para que Mizuhara se hiciera pasar por Ohtani en llamadas con el banco si estas transferencias hubieran sido autorizadas", dijo el fiscal.

Cualquier ganancia de las apuestas de Mizuhara no se devolvió a la cuenta de Ohtani sino que se transfirió a la cuenta personal de Mizuhara, dijo Estrada.

"Mizuhara perpetró un fraude a gran escala", dijo el fiscal.

Ohtani se volvió un nombre conocido, incluso entre los no aficionados al béisbol, cuando firmó un contrato histórico de R\$700 millones por 10 años con los Dodgers de Los Ángeles el año pasado.

Después de una extensa investigación de los registros telefónicos y comunicaciones de Ohtani, "se considera a Ohtani como una víctima en este caso", dijo el fiscal.

"Ohtani proporcionó su teléfono celular a las autoridades, quienes determinaron que no había evidencia de que Ohtani hubiera sabido o estuviera involucrado en la actividad de apuestas ilegales o el pago de esas deudas", dijo la oficina del fiscal de los Estados Unidos.

Las acusaciones contra Mizuhara salieron a la luz pública mientras los Dodgers estaban en Corea del Sur para una serie inaugural de la temporada de la MLB en marzo. ESPN y el Los Angeles Times informaron que los abogados de Ohtani acusaron a Mizuhara de "robo masivo" de millones de dólares y colocar apuestas con un libro que está bajo investigación federal.

La Major League Baseball emitió un comunicado el jueves en respuesta a las noticias sobre el cargo federal de Mizuhara.

"Dados los hechos revelados hoy, y otra información que hemos recopilado, esperaremos hasta la resolución del procedimiento penal para determinar si se justifica una investigación adicional", dijo la Major League Baseball.
