What Makes a Slot Game? Online slots are usually made up of various components, these elements all play a part in the games that we know and love! Read on to learn some of the core elements of our online slot games: **Win Lines** You need to take advantage of Win Lines to even earn a win! A lot of our games use Win Lines to show you the specific order of identical symbols you'll need to match to gain a win! Make sure to check the Paytable to find out the details of each game's Win Lines. **AnyWays Wins** However, it's important to note that not all our games use Win Lines. Some of our games are known as AnyWays Wins slot games! These games are different in that they don't tend to have a list of specific Win Lines, but instead opt to show you a guideline of ways you can win! They will still usually pay from left to right, but instead can offer you over 200 different ways to earn a win. Make sure you check the Paytable to truly understand these online slots!
