Hello, I'm Aldemir, a professional poker player from Berlin, Germany, but currently residing in Florianópolis, Brazil. I started playing poker as a hobby with my friends, but I quickly realized that I had a natural talent for the game. I decided to pursue poker professionally, and it has been an incredible journey ever since.

In 2024, I won the World Series of Poker (WSOP) Main Event, taking home a prize of US\$ 8 million. This win was a dream come true for me, and it catapulted me to the top of the poker world. I have since won a total of 1 bracelet and 0 rings, with earnings of R\$13,161,049.

When I first moved to Florianópolis, I struggled to find my place. I was a stranger in a new country, and I didn't speak the language fluently. But I refused to let that stop me. I knew that if I worked hard and stayed focused, I could achieve my goals.

To succeed in poker, you need more than just skill. You also need mental toughness and the ability to make smart decisions under pressure. I have worked hard to develop these qualities, and they have served me well in my career.

One of the biggest challenges I faced when I first started playing poker professionally was managing my bankroll. It's easy to get caught up in the excitement of the game and make reckless decisions, but I quickly learned the importance of staying disciplined. I set strict limits for myself and never risked more than I could afford to lose.

Another challenge I faced was dealing with the ups and downs of the game. Poker is a game of luck, and there are going to be times when you lose, even if you're playing perfectly. I had to learn to take these losses in stride and not let them get me down. Instead, I used them as opportunities to learn and improve my game.

One of the things I love most about poker is the freedom it gives me. I can work from anywhere in the world, as long as I have a stable internet connection. This has allowed me to travel and see new places, while still pursuing my passion.

In addition to playing poker, I also enjoy sharing my knowledge with others. I have started a training and development program in Florianópolis, where I teach people the strategies and techniques that have helped me succeed in the game. It's incredibly rewarding to see my students progress and achieve their own successes.

In conclusion, poker has been an amazing journey for me. I have faced many challenges along the way, but I have always stayed focused and disciplined. I am grateful for the opportunities that the game has given me, and I look forward to continuing to grow and succeed in the future.
