What are Pokemon Games?

Play the latest Pokemon Games Online now and learn how to become a good trainer in the race for Pikachu in these online games. There are few gaming franchises in the world as recognizable as Pokemon is because this is one of Japan's biggest exports when it comes to media, with the franchise having started a few decades ago with the release of a few video games, and then expanded upon its brand with manga series, a highly-popular anime television series which has had all sorts of new remakes and stories over the years, collectible cards, a viral mobile app in the form of Pokemon Go, a successful live-action movie called Detective Pikachu, and, of course, there are lots of Pokemon games online that you can play, with the best of them now being available only on friv games, right here and now!

The beginnings of Pocket

Monsters

It might feel this game has been around forever since there are multiple generations of people that have had experiences with these franchises in one way or another, but it's not such an old series, with it starting off in 1996 with the release of a double video-game by Nintendo called Pokemon: Red and Blue, which was called Pocket Monsters in the original Japanese release.

In these games, you had the chance to become what is called a trainer, who ventures through various regions of this fictional world, where you battle animal-like creatures of different elements, and if you defeat them, they can be captured and stored into what are called Pokeballs.

Kanto is the name

of the original area in this world that you could explore, and, as a trainer, you had to battle other trainers from the Indigo League, until you have defeated the eight Gym Leaders because that is when you have become a Champion. Each Gym Leader is the boss of a gym where they raise trainers as well as Pokemon, usually with each of them focusing on one kind of pocket monster.

The many adventures of Ash Ketchum and his friends

In

the games you were the protagonist, you could choose the name you wanted to use, and then start your adventure, but this would not work for the anime series that was inspired by the Pocket Monster Games and started off not too long after the first

games, in 1997, which is why we were given a protagonist in the form of Ash Ketchum, a teenage boy who wants to become the best Pokemon trainer and wants to catch them all!

Ash is given a Pokemon called Pikachu to start off his adventures, given to him by Professor Oak, who is the grandfather of Ash's biggest rival, Gary Oak. Pikachu is hard to handle and does not want to get into the ball, but he and Ash eventually form a bond and Pikachu becomes his main character, but it mostly never goes into the ball, but rather would rest on Ash's shoulder. Now having his first Pokemon, Ash can start his adventure to conquer the Indigo League.

In his first adventures, he

befriends a former Gym Leader called Misty, and a breeder called Brock, with the trio then venturing through the regions to capture battle trainers, while also having to deal with the various plans put forth by Team Rocket, made up of the very funny characters of Jesse and James, joined by their talking-character called Meowth, who are always hatching up schemes to steal Pikachu from Ash.

The most popular Pokemon to know about!

In addition to Pikachu, who you already met, there are many other iconic characters that kids and adults alike love a bunch, such as Charizard, who is a fire dragon-like Pokemon who can fly and can spew fire from its mouth, Bulbasaur, who is a grass one who uses its seed and veins to attack, Squirtle, a water type that can shoot water and uses its shell for defense, and Charmander completes this trio of original choices, a fire-type that can be hard to handle, but very useful in battles.

Through

training and the battles that they take part in, trainers can evolve their Pokemon to more powerful versions of themselves, gaining new and more powerful abilities, with Pikachu being famous for stopping his own evolution to keep going on adventures with Ash as himself.

The best Pokemon Games online for kids on our website

Of course, it

comes without saying, that in most of the games with Pokemon online that you play on our website you will be able to have similar experiences as Ash and the other trainers, going around the different regions to capture Pokemon, use them in the battle against other trainers and Gym Leaders, and try to become the champion!

You can play Pokemon

emulator Games online on our website too, where classic games like Emerald or FireRed can be played without needing to have a Nintendo console, or play Pokemon Go Games online where you go through the city to find new pocket monsters, virtually, since you can't really go outside right now.

For girls, we have dress-up games online, where they

can dress up their favorite trainers from the show in new outfits, or have characters from other series be dressed up as trainers. You can also find other formats such as coloring games, where you paint these iconic characters and monsters or even solve puzzles featuring  taken from this series.

No matter what you will first play on

this page, we are positive you will enjoy it greatly, so start right now to have fun with these games, like only here is possible!

La "sombra" de Margaret Thatcher continúa persiguiendo al Reino Unido

Más de una década después de su muerte y 34 años desde que dejó Downing Street, Margaret Thatcher sigue siendo una presencia constante en el Reino Unido. Desde la imitación de Liz Truss como la "Dama de Hierro" hasta las comparaciones de Rishi Sunak entre "la hija del tendero y el hijo del farmacéutico", sigue siendo invocada como la solución mágica a los males actuales, a pesar de que muchas de las crisis del Reino Unido comenzaron con sus políticas.

Una de sus políticas más dolorosas es el "derecho a comprar", que permite a los inquilinos de viviendas sociales adquirir su propiedad con descuento y convertirse en parte de la "democracia propietaria".

Desde su implementación en 1980, más de 2 millones de viviendas han pasado del sector público al privado. Las restricciones que impiden a los concejos gastar el dinero de las ventas en nuevas viviendas han llevado a la pérdida neta promedio de 24.000 viviendas sociales al año desde 1991, agravando la cada vez más grave crisis de vivienda del país y la situación frágil de millones de personas.

El "derecho a comprar" sigue estando presente en la política actual del Reino Unido

Ejemplos de ello son la situación de la candidata laborista Angela Rayner y el controvertido caso de su vivienda comprada con un descuento del 25% en 2007, y vendida ocho años más tarde. También está presente en la historia del director de campaña de Keir Starmer, Morgan McSweeney, cuyas experiencias en Barking and Dagenham influenciaron su visión de la importancia de mantener el apoyo de la clase trabajadora en el partido laborista.

Influyentes voces dentro y fuera del Partido Laborista abogan por el final del "derecho a comprar"

En Escocia y Gales ya se han eliminado las versiones locales de esta política, y en Inglaterra el Partido Laborista ha prometido acabar con ella. El alcalde de Gran Manchester, Andy Burnham, ha llamado recientemente a cambiar las reglas del "derecho a comprar" en nuevas propiedades.

Los efectos del "derecho a comprar" se sienten en todo el país

Desde el distrito de South Hams en Devon, donde el líder del concejo, Julian Brazil, señaló la necesidad de reemplazar las viviendas vendidas a través de este programa, hasta Londres, donde la venta de viviendas sociales está transformando los vecindarios y destruyendo la sensación de comunidad.
