Ice cream flavour of New Zealand

Hokey pokey is a flavour of ice cream in New Zealand consisting of plain vanilla 3 ice cream with small, solid lumps of honeycomb toffee. Hokey pokey is the New Zealand term for honeycomb toffee.[2][3][4][5] The 3 original recipe until around 1980 consisted of solid toffee, but in a marketing change, Tip Top decided to use small 3 balls of honeycomb toffee instead.

It is the second-most popular ice cream flavour behind vanilla in New Zealand,[6] and is a 3 frequently cited example of Kiwiana.[7] It is also exported to Japan, Australia, and the Pacific Islands.[8]

Origins and etymology [edit 3]

The term hokey pokey has been used in reference to honeycomb toffee in New Zealand since the late 19th century. 3 The origin of this term, in reference to honeycomb specifically, is not known with certainty, and it is not until 3 the mid-20th century that hokey pokey ice cream was created.[citation needed]

Coincidentally, "hokey pokey" was a slang term for ice cream 3 in general in the 19th and early 20th centuries in several areas — including New York City[9] and parts of 3 Great Britain — specifically for the ice cream sold by street vendors or "hokey pokey men". The vendors, said to 3 be mostly of Italian descent, supposedly used a sales pitch or song involving the phrase "hokey pokey", for which several 3 origins have been suggested. One such song in use in 1930s Liverpool was "Hokey pokey penny a lump, that's the 3 stuff to make ye jump".[10]

The term hokey pokey likely has multiple origins. One of these is the expression "hocus-pocus", which 3 is possibly the source of the name hokey pokey in New Zealand. As a general name for ice cream outside 3 New Zealand, it may be a corruption of one of several Italian phrases.

According to "The Encyclopedia of Food" (published 3 1923, New York) hokey pokey (in the U.S.) is "a term applied to mixed colors and flavors of ice cream 3 in cake form". The Encyclopedia says the term originated from the Italian phrase oh che poco - "oh how little". 3 Alternative possible derivations include other similar-sounding Italian phrases: for example ecco un poco - "here is a (little) piece".[citation needed]

Related 3 uses [edit]

Hokey Pokey (The Ice Cream Man) (1975) is a song by Richard & Linda Thompson.

(1975) is a 3 song by Richard & Linda Thompson. Hokey Pokey is an ice cream parlour in the Prenzlauer Berg section of Berlin, 3 Germany.[11]

Explosión masiva cerca de la capital de Chad deja al menos 9 muertos y 46 heridos

El martes por la noche, una explosión masiva cerca de la capital de Chad, N'Djamena, mató al menos a nueve personas e hirió a 46, según un comunicado del ministro de Relaciones Exteriores del país.

El video, autenticado y geolocalizado en el aeropuerto internacional de N'Djamena, muestra una gran bola de fuego y chispas que suben en el cielo nocturno.

Las imágenes satelitales de Maxar Technologies muestran que 17 estructuras en el depósito de municiones fueron destruidas.

En la imagen satelital, las estructuras destruidas en la explosión se extendieron y se ubicaron en dos grupos en los extremos opuestos del complejo.

Todavía no está claro si ocurrieron múltiples explosiones, lo que habría destruido todas las estructuras. También se desconoce la causa de la explosión en este momento.

"Nuestra casa temblaba como si alguien estuviera disparando contra nosotros", dijo un residente, Moustapha Adoum Mahamat, a Reuters después de la explosión. "Luego vimos un gran incendio en el campamento militar y humo y cosas que explotaban en el aire", agregó, diciendo: "También podíamos ver artillería que volaba sobre nosotros".

La explosión ocurrió a unos pocos kilómetros del aeropuerto internacional principal del país, pero no se vio afectado, dijeron las autoridades.

El presidente de Chad, Mahamat Idriss Deby Itno, dijo que se llevará a cabo una investigación sobre la causa del incendio en el depósito de municiones.
