Betwinner's agent stole my deposit money

Hello Betwinner,

I have been into sports betting for at least 12 years and i used different bookmakers and honeslty never faced any kind of problem.

Until i decided to give a try to Betwinner because it seemed to me interesting. I created my account normally and wanted to make a deposit. I opened the deposit window and saw the methods available and there was this certified guy that Betwinner directs you to his Whatsapp conversation.

I asked this person if he accepts top-up cards he said yes. I went on to get a top-up card with a value of 50 MAD, thankfully i was careful enough to NOT trust him directly with a bigger amount because i wanted to test his credibility first. As soon as he received my top-up card he deleted the messages where he stated that he accepts top-up cards and proceeded to blocking me. Of course i headed to your security department and also finance department to file a complaint, they asked me multiple times about details of what happens: Phone number of the agent, screeshots of the conversation, my bet account's ID ... After repeating the same step at least 3 times, i've been told that the agent would like to give me explanations and if i am okay with it, of course i replied with yes although i don't need explanations to premeditated actions. Now it's already 3 weeks that i've been waiting, to my surprise the agent is still shown in Betwinner's ceritied payment methods and probably still scamming on people.

I really don't care about the small amount i lost, but it's more than that, it's about credibility and safety, it doesn't seem right to me that Betwinner's agents scam Betwinner's clients! What am i supposed to do in this situation? Please don't ask me to wait, this should be a priority to deal with internally and i waited long enough.
