An ace-high straight flush, commonly known as a royal flush, is the best possible hand in many variants of poker.

In poker, players form sets of five playing cards, called hands, according to the rules of the game.[1] Each hand has a rank, which is compared against the ranks of other hands participating in the showdown to decide who wins the pot.[2] In high games, like Texas hold 'em and seven-card stud, the highest-ranking hands win. In low games, like razz, the lowest-ranking hands win. In high-low split games, both the highest-ranking and lowest-ranking hands win, though different rules are used to rank the high and low hands.[3][4]

Each hand belongs to a category determined by the patterns formed by its cards. A hand in a higher-ranking category always ranks higher than a hand in a lower-ranking category. A hand is ranked within its category using the ranks of its cards. Individual cards are ranked, from highest to lowest: A, K, Q, J, 10, 9, 8, 7, 6, 5, 4, 3 and 2.[5] However, aces have the highest rank under ace-to-five high or six-to-ace low rules, or under high rules as part of a five-high straight or straight flush.[6][7] Suits are not ranked, so hands that differ by suit alone are of equal rank.[8]

There are nine categories of hand when using a standard 52-card deck, except under ace-to-five low rules where straights, flushes and straight flushes are not recognized. An additional category, five of a kind, exists

when using one or more wild cards. The fewer hands a category contains, the higher its rank.[9] There are $52! / (5! \cdot 47!) = 311,875,200$ ways to deal five cards from the deck but only $52! / (5! \cdot 47!) = 2,598,960$ distinct hands, because the order in which cards are dealt or arranged in a hand does not matter.[10] Moreover, since hands differing only by suit are of equal rank, there are only 7,462 distinct hand ranks.[11]

Hand-ranking categories [edit]

* Only possible when using one or more wild cards ** Category does not exist under ace-to-five low rules

Five of a kind [edit]

Five of a kind, aces

Five of a kind is a hand that contains five cards of one rank, such as 3 3 3 3 3 ("five of a kind, threes"). It ranks above a straight flush but is only possible when using one or more wild cards, as there are only four cards of each rank in the deck.[6] Five of a kind, aces, A A A A Jkr, becomes possible when a joker is added to the deck as a bug, a form of wild card that may act as a fifth ace.[5] Other wild card rules allow jokers or other designated cards to represent any card in the deck, making it possible to form five of a kind of any rank.[12]

Each five

of a kind is ranked by the rank of its quintuplet. For example, Q Q Q Q Q ranks higher than 6 6 6 6 6.[6][13]

Straight flush [edit]

A jack-high straight flush

A straight flush is a hand that contains five cards of sequential rank, all of the same suit, such as Q J 10 9 8 (a "queen-high straight flush").[4] It ranks below five of a kind and above four of a kind.[5] Under high rules, an ace can rank either high (as in A K Q J 10, an ace-high straight flush) or low (as in 5 4 3 2 A, a five-high straight flush), but cannot simultaneously rank both high and low (so Q K A 2 3 is an ace-high flush, but not a straight).[6][13] Under deuce-to-seven low rules, an ace always ranks high (so 5 4 3 2 A is an ace-high flush). Under ace-to-six low rules, an ace always ranks low (so A K Q J 10 is a king-high flush).[14] Under ace-to-five low rules, straight flushes are not possible (so 9 8 7 6 5 is a nine-high hand).[7]

Each straight flush is ranked by the rank of its highest-ranking card. For example, 10 9 8 7 6 ranks higher than 8 7 6 5 4, which ranks higher than 6 5 4 3 2. Straight flush hands that differ by suit alone, such as 7 6 5 4 3 and 7 6 5 4 3, are of equal rank.[6][13]

An ace-high

straight flush, such as A K Q J 10, is called a royal flush or royal straight flush and is the best possible hand in ace-high games when wild cards are not used.[5][15][16] A five-high straight flush, such as 5 4 3 2 A, is called a steel wheel and is both the best low hand and usually the best high hand of the showdown in ace-to-five high-low split games.[4]

Four of a kind [edit]

Four of a kind, fives

Four

of a kind, also known as quads, is a hand that contains four cards of one rank and one card of another rank (the kicker), such as 9 9 9 9 J ("four of a kind, nines"). It ranks below a straight flush and above a full house.[5]

Each four of a kind is ranked

first by the rank of its quadruplet, and then by the rank of its kicker. For example,

K K K K 3 ranks higher than 7 7 7 7 Q, which ranks higher than 7 7 7 7

10. Four of a kind hands that differ by suit alone, such as 4 4 4 4 9 and 4 4

4 4 9, are of equal rank.[6][13]

Full house [edit]

A full house, sixes over

kings

A full house, also known as a full boat or a tight or a boat (and originally

called a full hand), is a hand that contains three cards of one rank and two cards of

another rank, such as 3 3 3 6 6 (a "full house, threes over sixes" or "threes full

of sixes" or "threes full").[17][18] It ranks below four of a kind and above a

flush.[5]

Each full house is ranked first by the rank of its triplet, and then by the

rank of its pair. For example, 8 8 8 7 7 ranks higher than 4 4 4 9 9, which

ranks higher than 4 4 4 5 5. Full house hands that differ by suit alone, such as

K K K J J and K K K J J, are of equal rank.[6][13]

Flush [edit]

A jack-high

flush

A flush is a hand that contains five cards all of the same suit, not all of

sequential rank, such as K 10 7 6 4 (a "king-high flush" or a "king-ten-high

flush").[19] It ranks below a full house and above a straight.[5] Under ace-to-five low

rules, flushes are not possible (so J 8 4 3 2 is a jack-high hand).[7]

Each flush

is ranked first by the rank of its highest-ranking card, then by the rank of its second

highest-ranking card, then by the rank of its third highest-ranking card, then by the

rank of its fourth highest-ranking card, and finally by the rank of its lowest-ranking

card. For example, K J 9 6 4 ranks higher than Q J 7 6 5, which ranks higher

than J 10 9 4 2, which ranks higher than J 10 8 6 3, which ranks higher than

J 10 8 4 3, which ranks higher than J 10 8 4 2. Flush hands that differ by

suit alone, such as 10 8 7 6 5 and 10 8 7 6 5, are of equal

rank.[6][13]

Straight [edit]

A ten-high straight

A straight is a hand that contains

five cards of sequential rank, not all of the same suit, such as 7 6 5 4 3 (a

"seven-high straight"). It ranks below a flush and above three of a kind.[5] Under high

rules, an ace can rank either high (as in A K Q J 10, an ace-high straight) or low

(as in 5 4 3 2 A, a five-high straight), but cannot simultaneously rank both high

and low (so Q K A 2 3 is an ace-high hand).[6][13] Under deuce-to-seven low rules,

an ace always ranks high (so 5 4 3 2 A is an ace-high hand). Under ace-to-six low

rules, an ace always ranks low (so A K Q J 10 is a king-high hand).[14] Under

ace-to-five low rules, straights are not possible (so 10 9 8 7 6 is a ten-high

hand).[7]

Each straight is ranked by the rank of its highest-ranking card. For example,

J 10 9 8 7 ranks higher than 10 9 8 7 6, which ranks higher than 6 5 4 3

2. Straight hands that differ by suit alone, such as 9 8 7 6 5 and 9 8 7 6

5, are of equal rank.[6][13]

An ace-high straight, such as A K Q J 10, is called

a Broadway straight,[20] while a five-high straight, such as 5 4 3 2 A, is called

a baby straight,[21] bicycle or wheel and is the best possible hand in ace-to-five low

games (where it is a high card hand, not a straight).[22][23]

Three of a kind [edit

]

Three of a kind, queens

Three of a kind, also known as trips or a set, is a hand that contains three cards of one rank and two cards of two other ranks (the kickers), such as 2 2 2 K 6 ("three of a kind, twos" or "trip twos" or a "set of twos"). It ranks below a straight and above two pair.[5]

Each three of a kind is ranked first by the

rank of its triplet, then by the rank of its highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 6 6 6 Q 4 ranks higher than 3 3 3 K 2, which ranks higher than 3 3 3 J 7, which ranks higher than 3 3 3 J

5. Three of a kind hands that differ by suit alone, such as 9 9 9 10 8 and 9 9 9 10 8, are of equal rank.[6][13]

In community card games, such as Texas hold 'em,

three of a kind is called a set only when it comprises a pocket pair and a third card on the board.[24]

Two pair [edit]

Two pair, jacks and threes

Two pair is a hand that

contains two cards of one rank, two cards of another rank and one card of a third rank (the kicker), such as J J 4 4 9 ("two pair, jacks and fours" or "two pair, jacks over fours" or "jacks up").[17][25] It ranks below three of a kind and above one pair.[5]

Each two pair is ranked first by the rank of its higher-ranking pair, then by the rank of its lower-ranking pair, and finally by the rank of its kicker. For example,

10 10 2 2 K ranks higher than 5 5 4 4 10, which ranks higher than 5 5 3 3

Q, which ranks higher than 5 5 3 3 J. Two pair hands that differ by suit alone, such as K K 7 7 8 and K K 7 7 8, are of equal rank.[6][13]

One pair [edit

]

One pair, tens

One pair, or simply a pair, is a hand that contains two cards of one rank and three cards of three other ranks (the kickers), such as 4 4 K 10 5 ("one pair, fours" or a "pair of fours"). It ranks below two pair and above high card.[5]

Each one pair is ranked first by the rank of its pair, then by the rank of its highest-ranking kicker, then by the rank of its second highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 9 9 Q J 5 ranks higher than 6 6 K 7 4, which ranks higher than 6 6 Q J 2, which ranks higher than 6 6 Q 8 7, which ranks higher than 6 6 Q 8 3. One-pair hands that differ by suit alone, such as 8 8 10 6 5 and 8 8 10 6 5, are of equal rank.[6][13]

High card [edit]

High card, king

High card, also known as no pair or

simply nothing, is a hand that does not fall into any other category, such as K J 8 7 4 ("high card, king" or "king-jack-high" or "king-high").[17][26] Note that under ace-to-five low rules, straights, flushes and straight flushes are not possible, so such hands are instead high card hands.[7] It ranks below one pair.[5]

Each high card

hand is ranked first by the rank of its highest-ranking card, then by the rank of its second highest-ranking card, then by the rank of its third highest-ranking card, then by the rank of its fourth highest-ranking card, and finally by the rank of its

lowest-ranking card. For example, K 6 5 3 2 ranks higher than Q J 6 5 3, which ranks higher than Q 10 8 7 4, which ranks higher than Q 10 7 6 4, which ranks higher than Q 10 7 5 4, which ranks higher than Q 10 7 5 2. High card hands that differ by suit alone, such as 10 8 7 6 4 and 10 8 7 6 4, are of equal rank.[6][13]

Under deuce-to-seven low rules, a seven-five-high hand, such as 7 5 4 3 2, is the best possible hand.[27] Under ace-to-six low rules, where aces have the lowest rank, a six-four-high hand, such as 6 4 3 2 A, is the best possible hand.[28] Under ace-to-five low rules, where aces have the lowest rank and straights, flushes and straight flushes are not possible, a five-high hand, such as 5 4 3 2 A or 5 4 3 2 A, commonly known as a bicycle or wheel, is the best possible hand.[7][22]

site para jogar black jack :site de aposta com saque rapido

Kevin Roberts, presidente da Fundação Heritge, tem laços estreitos com o Opus Dei

Kevin Roberts, presidente da Fundação Heritge e arquiteto do Project 2025, o plano da thinktank conservadora para uma segunda presidência de Trump, tem laços próximos e recebe orientações espirituais regulares de um centro da Opus Dei site para jogar black jack Washington DC, um ponto focal de atividade para o grupo católico radical e secreto.

Roberts reconheceu site para jogar black jack um discurso no último setembro que, por anos, ele visita o Catholic Information Center (CIC), uma instituição da K Street chefiada por um padre da Opus Dei e incorporada pela arquidiocese de Washington, semanalmente para a missa e "formação", ou orientação religiosa. A Opus Dei também organiza retreats mensais no CIC.

Na fala – que ele entregou no CIC e foi gravado e está disponível online – Roberts falou abertamente sobre site para jogar black jack estratégia para alcançar objetivos políticos extremos que ele apoia, mas estão fora do alcance da maioria dos americanos.

Proibir a contracepção é a "batalha política" mais difícil que os conservadores enfrentarão no futuro, disse o estrategista político de 50 anos, mas ele incentivou os conservadores a buscar pequenas vitórias legislativas – o que ele chamou de "incrementalismo radical" – para avançar seus objetivos políticos mais à direita.

Roberts ganhou notoriedade este ano como a força motriz por trás do Project 2025, um plano da

fundação apoiado por mais de 100 grupos conservadores que busca radicalmente transformar uma ampla gama de políticas se Trump for eleito novamente, desde limitar o acesso ao aborto e os direitos LGBTQ+ e desmantelar o Departamento de Educação, até acabar com programas de diversidade e aumentar o apoio do governo a "programas de conscientização da fertilidade", como o rastreamento de ovulação e a prática da abstinência periódica, site para jogar black jack vez de contracepção mais confiável.

Mas as ligações pessoais de Roberts com a Opus Dei e a importância de site para jogar black jack afiliação, receberam muito menos atenção.

Gareth Gore, autor de um livro à ser publicado sobre a Opus Dei, chamou a organização católica de "um projeto político encoberto por um véu de espiritualidade". O fundador do grupo, Santo Josemaría Escrivá, via seus seguidores como parte de uma "milícia site para jogar black jack ascensão", disse Gore, que estavam procurando "entrar site para jogar black jack batalha contra os inimigos de Cristo".

"Da mesma forma que o Project 2025, a Opus Dei, site para jogar black jack seu núcleo, é uma reação contra o progresso da sociedade", disse Gore. "Por décadas, a organização tem jogado seus recursos na penetração da elite política e jurídica de Washington – e finalmente parece ter conseguido através de site para jogar black jack associação próxima com homens como Kevin Roberts e Leonard Leo."

Leonard Leo, o vice-presidente executivo da Federalist Society, é um ativista conservador que liderou a missão republicana para instalar a maioria conservadora no Supremo Tribunal e financia muitos dos grupos assinados no Project 2025.

Assim como Roberts, Leo também tem ligações com o CIC ligado à Opus Dei. Em um discurso de 2024 aceitando o prêmio mais alto do CIC, o John Paul II New Evangelization award, Leo elogiou o centro enquanto também se referia aos seus oponentes políticos como "bárbaros vil
