Papa's Pizzeria Instructions

Papa Louie has left the pizzeria for a few days and needs

your help. You are playing as Roy, Papa Louie's nephew. It is up to you, Roy, to take control of the pizzeria and keep things running smoothly. This means that you must take customers' orders, assemble the pizzas, and bake them to perfection. To begin the game, players simply have to click on one of the 'save slot' cards. After this, your pizza adventure will officially begin. Take the customer's order... Toppings, how long it's to be cooked, how to cut it... Make the pizza... Give it to the customer. If it's done correctly, you get a big tip! Each customer will have slight variations on their orders. They might want their pizza cooked for a specific amount of time. Other small details include different amounts of toppings, a different amount of slices, a different amount of . . . well, you get it. The key is to get these details exactly right in order to satisfy the customers. The real challenge begins when there is more than one customer to deal with at once! You will have to figure out how to prioritize customers and optimize your orders to keep everyone happy. It sounds easier than it is, as orders can get quite overwhelming. Make sure to pay attention to the little things as well. Often it can get hard to remember every single thing that the customer wants. Make sure to not only pay attention to what toppings the customers want, but where the toppings go on the pizza, how long the pizza should be cooked, and how they want the pizza cut. If you miss these details, you can seriously miss out on some big tips. If you do all of this quickly, then you should be able to do well in this game.

### **Artistas ucranianos a la final de Eurovisión: "No hay fiesta, no hay nervios, somos como ancianos"**

Jerry Heil y alyona alyona, representantes de Ucrania en Eurovisión 2024, hablan desde Malmö después de clasificarse para la gran final. A pesar de su éxito en las semifinales, no hay tiempo para celebrar: "Somos como ancianos, no hay fiesta, no hay nervios, no hay nada".

#### **Una canción con mensaje**

La canción de estas dos artistas, "Teresa & Maria", está dedicada a la mujer ucraniana y su coraje y resiliencia, especialmente en tiempos de guerra. Fue escrita por Jerry Heil, alyona alyona, Anton Chilibi e Ivan Klymenko. Gracias a su participación en Eurovisión, esperan que se descubra más sobre la cultura ucraniana.

#### **La tradición ucraniana en Eurovisión**

Ucrania tiene un historial impresionante en Eurovisión, ganando el concurso en su segunda participación con Ruslana y su Wild Dances en 2004. Tras el triunfo de Ruslana, Verka Serdutchka elevó el listón con su segundo puesto en 2007 con Dancing Lasha Tumbai. Ucrania ganó nuevamente en 2024 con Jamala y su canción cargada de política 1944. El país también fue

el vencedor en 2024 con Kalush Orchestra y Stefania.

## Utilizando el poder de Eurovisión para el bien

alyona alyona y Jerry Heil participan en Eurovisión no solo para mostrar su talento musical, sino también para sensibilizar sobre la impactante situación de los niños ucranianos y ayudar a recaudar fondos para reconstruir la Velykokostromska school en Dnipropetrovsk, destruida por un ataque con misiles rusos. Colaboran con United24, una organización benéfica fundada por el gobierno ucraniano que cuenta con embajadores destacados como Mark Hamill, Barbra Streisand y Andriy Shevchenko.

"Nuestros niños han perdido su infancia", afirma alyona alyona, que fue maestra de jardín de infancia antes de triunfar en la música. "Es algo horrible".

## Amistad entre artistas

alyona alyona y Jerry Heil elogian al representante del Reino Unido, Olly Alexander, y su canción Dizzy. Dicen que ayudó a ponerlos de buen humor antes de subir al escenario. También agradecen al pueblo del Reino Unido por acoger a los refugiados ucranianos.

"Lo sentimos, lo agradecemos, lo apreciamos", dice alyona alyona. Además, disfrutaron de la camaradería en Malmö:

"Es una lástima que solo 10 canciones puedan avanzar en cada una de las
