Penalty Shoot Out (Evoplay Entertainment) Game Review

The cancellation of UEFA Euro 2024 due to epidemic restrictions had been quite a disappointment for all football fans around the world, but Evoplay Entertainment brought some delight for those hungry for sporting action with its Penalty Shoot Out slot. It's not a common slot though, with no reels and paylines, and it also requires a fair amount of player input.

The dynamic new title gives players the opportunity to return home a hero by making the net bulge. With 24 national teams to choose from, players are invited to bring football home in a blockbuster international match decided by an all-important penalty kick. Now's your chance to bring football home!

Ivan Kravchuk

CEO, Evoplay Entertainment

How to play the Penalty Shoot Out slot?

Penalty Shoot Out is an instant casino game based on football, where players need to beat the goalkeeper to win the rewards. First of all, players need to select a team they want to represent from a list of 24 European countries. Then, you'll find yourself at an 11-meter spot, ready to perform the best kick in your career. That's where the betting is made, from just R\$0.1 up to R\$500 per round.

Players will have up to 5 shots per round, and there are 5 available spots to shoot at. Players can either select one of those or rely on the will of chance by clicking on the 'Random' button. Each scored goal brings you a cash reward, and the more goals you manage to score, the bigger will be the total win. You can keep shooting after each goal or cash out by clicking on the 'Collect' button to withdraw your winnings. However, if the goalkeeper saves the ball, the bet will be lost. The meter above the goal indicates your current progress and displays possible rewards. The winning multiplier is 1.92x for the first goal, and it grows by 2x with each successful shot in a row, offering the following prizes:

1st goal - 1.92x the stake.

the stake. 2nd goal - 3.84x the stake.

the stake. 3rd goal - 7.68x the stake.

the stake. 4th goal - 15.36x the stake.

the stake. 5th goal - 30.72x the stake.

Penalty Shoot Out Fairness and RTP! The Penalty Shoot Out slot from Evoplay Entertainment

uses the provably fair algorithm, which allows players to check the fairness of each game round. The outcome of each round is random and equally likely for all positions, provided by a random number generator. The RTP of the Penalty Shoot Out slot is 96%.

Penalty Shoot Out - Slot Verdict

Being completely off what we call a typical slot game, Penalty Shoot Out is certainly a find for all football fans. The dynamic instant format keeps players engaged throughout the session, while the fairness algorithm makes sure you won't be getting ripped off desperately trying to beat the impenetrable goalkeeper.
