One bettor won more than a half-million dollars by hitting an insane parlay during Championship Sunday in the NFL. The lucky winner turned their \$20 site credit on FanDuel into \$579,000 by correctly guessing the winners and exact score of both conference championship games. There's 55 555. There's just 55 555.

A +1.5 spread is commonly seen in baseball betting, the standard runline for MLB. This spread means the underdog must win outright or lose by exactly one run to cover the spread.

Alternatively, a -1.5 spread means that the favorite must win by at least two runs. Many baseball games are decided by fewer than two runs.

Argentine Beauty Queen Alejandra Rodríguez: Mi Participación es el Primer Paso de un Cambio

The participation of a beauty queen Argentina of 60 years in the Miss Universe competition can have reached its end, but she affirms that her extraordinary journey is "the first step of a change" in social perception.

Alejandra Rodríguez caused a stir in the media of communication of the world in April when she was crowned Miss Buenos Aires, becoming the first sexagenarian to win a contest organized by the franchise Miss Universe.

Although she could not repeat that triumph on Saturday to become Miss Argentina and obtain the right to represent her country in the Miss Universe competition, she won the category "best face" and celebrated her achievement as the beginning of a change in the way beauty is perceived.

"This is the first step of a change that is about to arrive", said Rodríguez, lawyer and journalist by profession, *in Spanish* after the contest.

"I hope that this (my participation) marks a before and an after. I believe that beauty is always the main focus, I do not think it is wrong to select a beautiful woman, but perhaps the concept of beauty needs to expand", she affirmed.

The participation of Rodríguez was possible only after that the organization of Miss Universe changed its rules related to age.

Until 2024, contestants had to be between 18 and 28 years of age until January 1 of the year in which they participated. From 2024, there is no upper age limit.

"It was a positive change, I believe little by little, like all changes", she said, adding that she was grateful to have "the opportunity to be the first".

Eliminating the age limit was only one of a series of rule changes that the franchise introduced in 2024 in an effort to modernize.

For the first time in its history of more than 70 years, the franchise also authorized the participation of married or divorced women, and those who are pregnant or have been.

"It also participated a woman of 40 years, another of 37. It seems that the limits are expanding", said Rodríguez. "There were women who were mothers, things that were unthinkable before in Miss Universe".

Rodríguez affirmed that, although she did not win the honor of representing her country, stereotypes related to beauty, age, appearance and weight are changing slowly.

The winner on Saturday was Magalí Benejam, 29 years old, who, according to the previous rules, would have been considered too old to compete.
