Online football is as big a favorite sport amongst online gamers as the real game played globally on every patch of available turf possible, only with the bonus of being in the comfort of your own home. Playing games online is the perfect way for children, and adults alike, to feel included and accepted, and they are not restricted by age, ability, or other factors that would otherwise deem them unsuitable to participate. And this is why this is such a big experience children should be given the opportunity to do where possible.

There are plenty of gaming sites where children can play online games and try different categories of gameplay or characters, and you don't need to solely rely on Poki online games but so many others readily available, and free to play, so you can enjoy thousands of game genres with new ones added frequently. The online gaming industry shows no signs of slowing down, and for good reason too.

The perks of being an online gamer

While online soccer is at the forefront of the top games played online, it offers many benefits to individuals taking part in the action. Other than showing your support for your favorite teams, players, or gaming influencers by wearing their bespoke merchandise such as hoodies and t-shirts, but also embracing their energy and enthusiasm for the game through posters to hang in your room and toy replicas of the games, there is something for everyone to be a part of the soccer movement.

Playing online, for many children specifically, is the perfect way for them

to relax and be their true selves. They can be part of the social crowd judgment-free, and refine their skills in the game to become a household name. Playing online soccer, or any online game whether it be for boys or girls, or both, or as a tournament, has a positive effect on our up-and-coming generation. Sites that offer online games for children are ever-evolving, and being part of the technological advances will only work in their favor, here are the top 5 reasons how;

€€€€€€€€ Social

Multiplayer games and

team sports are the epitome of why children play online games, they want to feel accepted, and online this are effortless when compared to real-life settings. Children can build friendships and social status with people all over the globe from the comfort of their homes, or even when traveling, simply log on and play against your friends from anywhere in the world.

€€€€€€€€ Concentration

You may not think it but the level

of concentration needed to play online games is immense. Children playing online games like soccer need to be able to focus for long periods while making split-second decisions on where and how to pass a football, or which team players to use in-game modes. Concentrating during online games could be the difference between being taken down by an opponent or coming out victorious, a great skill acquired through plenty of online gameplay.

€€€€€€€€ Analytical

Solving tactical situations and thinking on your

feet is part of the online gaming experience. The puzzles or team set-ups require problem-solving skills that are significantly refined as they continue to play. Their cognitive function is enhanced and they find solutions quicker than usual.

€€€€€€€€

Educational

Immersing yourself in a game mode played in a land that is from another country is a great way to better understand another part of the world otherwise not known. Players can learn about the traditions of different cultures, rich history, and how they overcame battles and environmental factors in specific events.

€€€€€€€€

Relaxation

School life and work life can be hectic for many of us, and finding a way to escape from the overwhelming deadlines or endless paperwork and tasks is a must for taking time to unwind and relax, playing online games is the perfect way to get away from it all. Many children do well to relax and take their minds off the stresses of school by escaping to other dimensions in the gaming world.

Could online soccer be the future?

Many gamers these days are making a name for themselves with the online community and in doing so are creating a following of other soccer enthusiasts who too are immersing themselves in the world of online games. As we have seen the many benefits that online gaming has for children, it could well be the solution that educators and parents alike have been looking for as a means of an outlet for children.

And it is a great mood-boosting option for when we could all use a silver lining in our darker days. Win-win.

El ejército israelí rescata a cuatro rehenes en una operación en Gaza

La operación de rescate de rehenes en Gaza, llevada a cabo por el ejército israelí, resultó en la liberación de cuatro cautivos y la muerte de decenas de palestinos, incluyendo mujeres y niños.

La planificación y ejecución de la operación

La operación, que requirió semanas de planificación, fue aprobada solo unos minutos antes de su inicio. Las fuerzas especiales israelíes, junto con el ejército, los servicios de inteligencia y la fuerza aérea, asaltaron dos edificios en Nuseirat, un barrio del centro de Gaza, y rescataron a los rehenes vivos y en buen estado de salud.

Bajas durante la operación

Decenas de palestinos murieron durante la operación, incluyendo civiles y combatientes. El ejército israelí atacó a militantes que habían amenazado a sus fuerzas cuando intentaban extraer a los rehenes, pero no proporcionó un desglose de los civiles y combatientes muertos.

Rescate de rehenes en operaciones anteriores

Desde el comienzo de la invasión terrestre en octubre, el ejército israelí ha rescatado a siete rehenes vivos en tres operaciones militares distintas. Sin embargo, quedan unos 120 cautivos en Gaza. Varios intentos de rescate propuestos no se llevaron a cabo por temor a que los rehenes o las fuerzas militares murieran en el proceso.
