Hugo Weaving não se importa muito com os filmes de O Senhor dos Anéis

It é de se surpreender que Hugo Weaving tenha admitido não se importar muito com os filmes de O Senhor dos Anéis. Depois de todos, se você estivesse tko bet Rivendell interpretando Elrond, o meio-elfo, por anos, com linhas que pareciam ser dadas apenas para exposição ativa e arqueada, enquanto todos os outros lutavam contra orcs e voavam tko bet águias gigantes, talvez

you também estivesse um pouco chateado.

Discussing the new season of *The Lord of the Rings: The Rings of Power*, the British actor revealed this week that he didn't even see a second of the show on Amazon Prime Video - not the interpretation of young Elrond by Robert Aramayo - because "he spent a lot of time tko bet Middle-earth" and "he doesn't particularly want to go back there". And Weaving is not the first actor of the genre to be considered tko bet high by fans for being so dedicated to his famous role as Frodo Baggins that he would spend a night on screen with the Ring King of Angmar. Interest is minimally pitiful ... Susannah York and Marlon Brando tko bet Superman.

Alec Guinness was not a *Star Wars* enthusiast and his Oscar-nominated role as Obi-Wan Kenobi, once mentioned in *Talk* magazine that he tko bet idea of killing the Master Jedi tko bet 1977's *Star Wars* because "he couldn't continue talking those horrible lines, banal. I had enough of mumbo jumbo". Guinness also wrote tko bet tko bet memory *A Positively Final Appearance* that he said to a young fan of *Star Wars* who approached him and revealed that he had seen the film a hundred times that he would give the boy an autograph only if he promised never to watch it again.

In 1978, Warner Bros managed to convince Marlon Brando a
